Dear Applicant

Thank you for your interest in the post of Art Teacher. We are a friendly and collaborative department and would be excited to welcome forward-thinking and passionate teachers to the team.

The successful applicant will be able to teach Art and Design to Key Stage 4. Experience of teaching Key stage 5 is a significant advantage given the department's consistent strengths in this area.

This position is suitable for either a more experienced teacher or an NQT. Kennet has an excellent CPD programme and works closely with teachers at all stages of their careers to support their professional development and career progression.

The Art & Photography Department produces consistently outstanding results and is a beacon of excellence both in local area and nationally. This year the school was awarded Artsmark Platinum, which has only been received by a small minority of schools and evidences our commitment to promoting the Arts in the curriculum.

The department enjoys purpose built accommodation, which houses two dark rooms, a print room, two kilns, five studios and a range of IT facilities and design programmes.

If you're undecided about applying, we would love to welcome you for an informal visit at your convenience. If you would like to discuss this or any possible job opportunities at Kennet School please contact Chris Ellison (Deputy Headteacher) on cellison@kennetschool.co.uk.

If you've already decided to apply, the easiest way to do so is by clicking the 'Quick Apply' button on the TES website. Alternatively application forms can be downloaded from our vacancies page and submitted by email to office@kennetschool.co.uk . Applications must be received by 9am on Tuesday, 9 July 2019.
