APPOINTMENT BRIEF

ABOUT ROSSALL SCHOOL

Our impressive campus of 160 acres on the picturesque Lancashire coast reflects the heritage of the school, with stunning period architecture at every turn. However, within our historic Grade II listed facade is a thriving school offering a world class education; Rossall is a school with a commitment to academic excellence backed by excellent facilities. It is a school where dedicated, professional staff, deliver a broad curriculum, provide the very best pastoral care and support and deliver an exciting and extensive extra-curricular programme to all our students, whether boarding or day, at all levels of the school.

We recognise that parents expect the best for their children; therefore we continue to invest significantly in our expansive campus to provide a modern, comfortable location where boys and girls from 2-18 years old will find a safe, yet stimulating environment with all they need to get the most from their time with us. In the past five years, for example, all our boarding houses have undergone major refurbishment, we have built a new multi-use games area, created a fabulous new cookery room and refurbished the smaller of our two theatre spaces.

Popular with overseas and British pupils alike, our school has a unique identity and a strong sense of community spirit. Here, international boarders from around 40 countries mix with British pupils to create a campus where children develop a truly international perspective and forge lifelong friendships with others from around the world. We have recently become a 'Round Square' school, connecting us to a network of 150 like-minded schools across the globe.

We strive to develop in our pupils a lifelong love of learning, a sense of responsibility and personal integrity. Ours is a community based on trust, mutual respect and compassion, and we expect every member of our school to uphold these values, on and off the campus.

Rossall is an inspiring place to live, learn and work; we are fortunate to attract fantastic students and staff to join us on our beautiful campus by the sea.

THE GEOGRAPHY DEPARTMENT

Geography is taught throughout the school, broadly following the National Curriculum at KS3. KS4 is divided into a 2 year GCSE course for the main school following the AQA syllabus. There is also a one year course for the Year 11 on the fast track course, following the Cambridge IGCSE course. At sixth form level, there is the option to study 'A' Levels, following the AQA syllabus or the International Baccalaureate Diploma. Geography is an increasingly popular subject choice at both sixth form and GCSE levels.

The department is committed to fieldwork. Fieldwork equipment is readily available, allowing for a wide range of activities to be carried out in the field.

The department is located in its own building and is well resourced with ceiling-mounted projectors in all classrooms and interactive whiteboards. The use of ICT in teaching is encouraged. Three teaching classrooms, a student resource area and a department office make for a pleasant working environment.

The Head of Geography, Anthony Fairhurst would be happy to answer any queries by email at: a.fairhurst@rossall.org.uk
