Introduction to Light Hall School

We are a co-educational comprehensive of 1200 students aged 11-16. In our latest Ofsted Inspection (June 2013) we were graded as 'good' in all categories. In August 2011 we converted to an Academy following an invitation as a high performing school. We currently have 70 teaching staff and 49 support staff.

We are located to the west of Solihull town centre in the district of Shirley. We draw students from Solihull and Birmingham. Our intake has a broad mix of both attainment and socio-economic backgrounds.

Our staff are committed and hardworking and our students are enthusiastic and friendly. In our latest Ofsted Inspection (June 2013), their behaviour was rated as 'good and often exemplary'. They were described as being 'polite and thoughtful of others'. In our annual surveys, both parents and students rate the school highly.

As an academy we have ambitious growth plans using additional freedoms and funding to further promote learning throughout the school.

The school has doubled in size since it was first built and enjoys an excellent setting. It has good improving sporting facilities and has developed a community ethos within the area that it serves.

As a newly-converted academy, our curriculum is being reviewed but at present is in line with the National Curriculum. A strong emphasis is placed on the role of individual in the wider community.

Facilities

We have several generations of building, the most recent of which was opened in November 2008. It includes additional rooms, constituting about a third of the school in total. It contains state-of-the-art learning facilities for performing arts, mathematics and English. Development through the rest of the school has continued, particularly in relation to ICT, and all classrooms now have interactive white boards and Wi-Fi.
