Are you passionate about inclusion and committed to meeting the needs of all children?

Do you have the ability to engage, motivate and promote the learning and personal development of pupils?

St Matthew's RC High School has a new Headteacher and a new vision. We have embarked upon a journey of rapid improvement, working in partnership with St Patrick's RC High School, which is a National Teaching School.

We are a school with a rich tradition of working closely with the community we serve and we enjoy excellent relations with our partner primary schools and parishes. We are proud to be a Catholic school. Our school mission statement can be summed up very neatly 'We Pray, We Care, We Achieve' and these simple, but powerful words lie at the heart of all we do as a school community.

We are looking for an enthusiastic, hard-working, team player, who will join us for the position of Pastoral Manager.

The successful candidate will be:

- experienced in working with young people either in an educational and/or social care;
- committed to realising the potential of all young people;
- a highly effective communicator who can confidently support our young people and their families to overcome barriers to learning.

St. Matthew's benefits from a modern school building with excellent equipment and facilities to support pupil learning and development during the school day and beyond. The school environment, curriculum and extra-curricular activities supports, fosters and inspires pupils to make every effort to achieve success at the highest level and provides opportunities for them to make a valuable contribution to the local, national and global community.
