MANCHESTER HIGH SCHOOL FOR GIRLS

Manchester High School for Girls is one of the leading independent girls' day schools in the country. It is a selective, academic school and last summer's public examination results at both Advanced and GCSE level were excellent, placing the School amongst the top schools nationally.

For 144 years, Manchester High School for Girls has taken pride in giving girls an academic education of the highest quality. Founded in 1874, the School has made a pioneering contribution to the development of women's education. All three of Mrs Pankhurst's daughters were educated here. The School takes its inspiration from its traditions and continues to produce students who distinguish themselves in many professions, becoming role models of successful and influential women. The character of the School has also been shaped by its accessibility to girls from a wide variety of social, cultural and religious backgrounds so that a community has developed which both values individuality and promotes tolerance.

The School is a non-denominational, independent day school, which has charitable status. It is also a member of the Girls' Schools Association and of the Association of Governing Bodies of Independent Schools. Since 1893, the School has provided means tested financial support for a significant number of girls. A range of school bursaries is currently offered in order to make places available to those from low income families, and currently approximately 10% of girls in the Senior School are in receipt of some form of financial assistance. The girls are drawn from a broad geographical area including Greater Manchester, Cheshire, Derbyshire and Lancashire. Special buses transport most of the girls to school and there is a supervised 'girls only' bus serving both the preparatory and the senior girls who live in the Hale, Altrincham and Bowdon areas. Admission to the Senior School is by examination and interview. Entry to the Preparatory Department is from the age of 4 and sometimes occasional vacancies are available for entry at other ages. Admission is selective by means of an assessment for infants and an entrance examination in Mathematics and English for the juniors.

The Senior School caters for girls from eleven to eighteen and the Preparatory Department provides for girls from four to eleven. Most girls in the Preparatory Department progress into the Senior School. The majority of our eleven-year-old entrants, however, are drawn from many other schools, both independent and maintained primary. Some are admitted at sixteen to pursue Sixth Form courses. Currently there are 263 girls in the Preparatory Department and 676 in the Senior school, including 182 in the Sixth Form.

The Curriculum and Timetable

Upon entry, girls are placed in one of four parallel groups of twenty-seven, although many teaching groups are smaller units and setting is implemented in some subjects at a later stage. All follow an extensive, strongly academic programme of study, culminating in outstanding examination results at GCSE and A-Level. In 2017, at GCSE, 85.63% of all grades were A or A* and the pass rate was 99.4%. At A-level, the subject entry pass rate was 100% and 87.2% of all grades were A*, A or B.

The School offers a wide choice of subjects at 'A' level and GCSE, with over 20 subjects offered at each level. Girls take the equivalent of 9 or 10 GCSEs and, currently in the Senior Sixth 3 or 4 A-Level subjects. Almost all leave to pursue a degree at a university of their choice and, each year, a significant number gain admission to Oxford or Cambridge.

Pastoral Support, Care and Guidance

Highly effective systems of student support have been established where the roles of the Form Tutor and Heads of Year are pivotal. The work of the pastoral team is greatly enhanced by the School Nurses and the School Counsellor. Other key staff who contribute to the provision of pastoral support, care and guidance include the Director of Sixth Form Studies, a Learning Support Co-ordinator, Well Being Co-ordinator and Head of Careers. Administrative support for the work of the Deputy Head (Pastoral Care) and the Heads of Year is provided by the Pastoral Secretaries.

Current staffing

The staff of the Senior School consists of the Head Mistress, two Deputy Heads, Bursar, two Assistant Heads and 75 teachers (51 full-time and 24 part-time). The Preparatory Department is led by the Head of the Department, who is responsible to the Head Mistress, with 16 teachers (15 full-time and 1 part-time) and 9 classroom assistants. The Deputy Heads, the Bursar, the Assistant Heads, the Head of the Preparatory Department and the Development & Marketing Director form a Senior Leadership Team working closely with the Head Mistress. In addition there are 10 technicians, a full-time professional librarian with 2 assistants, 5 visiting speech and drama teachers and a large team of visiting instrumental music teachers. A school doctor is in regular attendance and there are 2 part time school nurses. The Head's Personal Assistant is also the Office Manager and there are 14 other ancillary staff supporting the offices of the Head and the Bursar, as well as providing administrative assistance for the staff. In addition, there is an Estates Manager and 6 maintenance staff.

Extra-curricular activities

There is a wide variety of extra-curricular activities, which are well supported by girls and teachers. Many take place at lunchtime but, in addition, there are numerous theatre visits and field trips which offer the opportunity for students to develop and follow their interests and talents in music, drama, sport and academic areas. Every year there are drama productions and music festivals; the School's performance activities have an excellent reputation. There is a full schedule of sporting fixtures including netball, cross-country, hockey, athletics, tennis, rounders, swimming and water polo. All girls in Year 7 attend a residential induction course and there are regular opportunities to participate in sport tours and other trips abroad.

Accommodation

In the last ten years, an ambitious refurbishment and development schedule has seen the classrooms, laboratories and specialist subject accommodation transformed. Modernisation of the dining room and kitchens, library, main hall, lavatories, three ICT suites, two language laboratories and greatly improved work facilities for staff have completed the upgrades. The construction of an impressive Sports Complex, with fitness suite and climbing wall to augment the existing swimming pool, Astroturf pitch and dance studio was completed in September 2006. A free membership scheme for staff to the Fitness Suite is available. A first floor extension and refurbishment of the Preparatory Department providing four additional classrooms was completed in August 2012. A state of the art Sixth Form Centre was completed in summer 2014.

Development and Marketing Department

The School's Development and Marketing Department is split across the two functions. The marketing side of the team is responsible for overseeing anything related to the Manchester High School for Girls 'brand' and promoting what is on offer here to prospective parents and students through advertising and PR. The team also maintain the School's various social media platforms and website.

The Development aspect of the department's work involves maintaining links with over 4,000 members of the School's alumnae community and raising funds for the School's Bursary Fund. The team is heavily involved in organising a number of flagship events in the Manchester High calendar, including the annual Founders' Lecture. The links the department has are vital in enabling the School to build close working relationships with the Manchester business community and the team also supports the Careers Department by managing Project Pankhurst (our alumnae mentoring scheme for Sixth Formers) and the 'Insight Into...' careers evenings.

Inspection and Future Plans

The Independent Schools Inspectorate (ISI) conducted a regulatory compliance inspection of Manchester High School for Girls in September 2016 and the School was found to be fully compliant with all of the regulatory requirements.

The School's strategic planning cycle continues and work has begun on a new 2017-2022 strategic plan. The School is continuing to work to maintain a culture of continuous improvement in which learning is pre-eminent, which is professional and efficient and which is keen to undertake change in pursuit of genuine quality.
