Dear Colleague,

### **Leading Practitioner in Teaching - English**

Thank you for your interest in this important post. English is a subject crucial to the success and life chances of our students. This is an opportunity really to “make a difference”!

Our English department goes from strength to strength. The department is very well-resourced. Students respond well to expert teaching and are enthusiastic about the subject. There are six dedicated classrooms, each equipped with interactive whiteboards, extensive display opportunities and plenty of storage space. English achieved excellent results in 2017. In English Language 75% gained a grade 4 or better, with 16% gaining grade 7+. In English literature, 75% gained a grade 4 or better and 23% gained a grade 7 or above. Students enjoy the strong teaching in the department. We would want you to be a great teacher of English yourself and to work with the team on improving our results further still.

Students follow the Edexcel specifications in English (English Language – 1 ENO; English Literature – 1ETO).

Cressex Community School is a popular and successful secondary school with approximately 750 students on roll on the western flanks of High Wycombe.

We take great pride in the quality of education we offer, and in our strong team-working among students and staff. We have a wonderfully diverse student body. At the time of the last school census almost 40 different first languages were recorded. We have a number of very able students who perform excellently in public examinations. In 2017, our students achieved the best results in the school's history, with a high proportion of exams passed at the top grades. As an all ability school, we are equally proud of the success of our lower attaining students. All students achieved at least one GCSE pass; 99% gained 5+ A\*-G.

***High Achievement for All is our Shared Responsibility***

In 2010 we moved into an outstanding new building. Classrooms are large, bright and equipped with the latest technology, including Promethean interactive whiteboards. Our sporting and other facilities are all of the highest quality.

Our most recent Ofsted inspection was in July 2014. We are a “good” school with a number of outstanding features. Our mission is to provide an outstanding education for the young people here.

The staff at Cressex are highly skilled and committed to achieving this goal. We place great emphasis on staff development and embrace exciting and innovative approaches. We have a very highly regarded induction and ongoing training programme for new teachers, including those trained overseas, and we run leadership development sessions for Cressex staff in partnership with Johnson and Johnson, the leading multi-national pharmaceutical company.

**We are very pleased to offer visits to potential job applicants. Please contact me if you would like an informal conversation and/or a tour of the school.**

We believe that we offer a very competitive salary for the role and offer other benefits including a lower than average teaching commitment and fitness facilities on site.

Please apply by completing a Buckinghamshire application form. You should also write a personal statement indicating **how your experience to date has prepared you for the post**, and **how you think you could contribute to the school** (no more than two sides of A4 please).

You can access the application via this link: <http://www.cressex.org/182/join-our-team>

We very much hope you will feel inspired to come and be part of the Cressex team.

With best wishes.

Yours sincerely,

David Hood  
Headteacher

## English Department Information

The English department consists of six full time members of staff who are all committed to ensuring that students achieve their full potential. This year the department is celebrating an excellent set of GCSE results (80% 9-4 compared to 49% A\*- C in 2016). The successful candidate will be joining the department during an exciting period of development as we move towards a knowledge based approach designed to create sophisticated thinkers and writers.

The GCSE course is taught over three years (beginning in Year 9); Years 7 and 8 study a range of language and literature units designed to provide a solid grounding in the skills required at Key Stage 4. All students are entered for both GCSE English Language and Literature (Edexcel).

The department is very well resourced and students have access to a computer room in the English corridor. In order to encourage and monitor wider reading, the school has also recently invested in the 'Accelerated Reader' programme; dedicated library lessons are set aside to encourage students to make the most of their reading time.

Our learners are keen to achieve well in English and enjoy being challenged. We look forward to welcoming a colleague who has high expectations of what students can and should achieve – both within the classroom and beyond.

***High Achievement for All is our Shared Responsibility***

## **Johnson & Johnson Deliver Leadership Programme to Teachers at Cressex Community School**

A new initiative to develop future leaders in school has emerged between Cressex Community School and Janssen, the High Wycombe-based, pharmaceutical business of the Johnson & Johnson family of companies. Assistant Headteacher at Cressex, Shazeen Saddique, spoke about the inspiration behind the training programmes. She said: **"The leadership skills needed for success in education and business are very similar. I was looking for training opportunities for our staff which would be different from standard courses and exciting for the individuals taking part. I am delighted to say that we got these through Janssen. We are so grateful to our colleagues at Janssen for making this happen."**

Two programmes have been set up. The 'Aspiring Middle Leaders' programme is aimed at ambitious teachers near the start of their careers, who are interested in taking on departmental leadership. Learning alongside peers from Janssen, the programme exposes them to leadership theories and "hands on" activities. 'Stepping It Up', a programme for established heads of department, focuses on developing self-awareness and expertise in leadership.

The long-standing partnership between the two organisations, which benefits staff and students alike, has been enhanced by the creation of these programmes. Simon White, Head of Learning and Development, Janssen UK and Ireland explained: **"Leadership development is such a vital component of the success of any organisation, and it's been a pleasure to host some of Cressex's aspiring leaders in our Janssen leadership programmes here at High Wycombe. This is the first time we have shared this type of support in partnership with a local school. Cressex Community School is such an important part of the local community and we're delighted to have the opportunity to work with them."**

David Hood, Cressex Headteacher added: **"We are once again thrilled to be cooperating with our colleagues at Janssen on a project that is so beneficial to our school and its community."**
