Welcome from the Headteacher

The New North
Academy

I am passionate about learning, the talents of young children and believe that everyone 'can' with the right support, encouragement and inspiration achieve beyond their wildest expectations!

I very much believe in promoting a strong family atmosphere, where children feel safe and happy, sharing positive relationships with the adults and peers they work and learn alongside. Ensuring children achieve highly academically is the core purpose of our school, but we ensure that this success is based on a solid grounding of good, honest values.

We are living in a rapidly changing world and I am determined that the children from The New North Academy enter it as young people who are confident, enquiring and well-rounded; ready to make a difference to the world around them.

I would urge new and interested families to come and meet us and see just how we can work with you and your family.

Nicola Percy - Headteacher

A View from a parent

Yassine is a dad to two beautiful girls who attend New North Academy.

He says: "We believe New North is thriving in its academy status.

"We are delighted with the progress our children are making academically and in terms of developing comprehensive values important for their future."
