Welcome from the Executive Principal (Designate)

Thank you for your interest in becoming Head of College at Christ the King College: St Mary's. The post will become vacant as from 1st September 2017 when the existing post holder takes up a new position within the Executive Leadership Team. I hope the information you find here will give you a good picture of what is required and will encourage you to apply for what is a high profile and exciting role.

Our college motto is 'Ut Vitam Habeant' - 'that they may lead life to the full'. We want all of our students across each of our three sites to have the fullest life chances they can. Our vision is to be the best provider of sixth form education in South East London, with a reputation for excellence with students, parents, schools and members of the wider community.

We have a comprehensive intake and offer courses at Levels 2 and 3. Our aim is for all our students to make excellent progression to the next level. Our overall success rates are generally above sector averages, our progression rates to university or work are very high and we generally achieve good A Level, BTEC and GCSE outcomes.

In the current climate of financial reductions we have worked hard to ensure very tight financial management and our EFA financial category is 'Outstanding'. The college remains an attractive place to study and for this academic year we received in excess of 4,500 applications across the three sites.

We have taken part in the London Area Review Process and whilst no decisions have been taken by the Governing Body, we are exploring academisation as a possible part of the process.

We are growing, we are continuing to innovate, and as Executive Principal, I look forward to working with the new Heads of College to continue driving the institution forward and pursue excellence in all we do.

Please direct all contact on your application to Debbie Baldwin, my PA, on 020 8297 9433 or email D.Baldwin@ctksfc.ac.uk.

Yours sincerely

Rob McAuliffe
Executive Principal (Designate)
