

# Devonport High School For Boys

## The English and Media Faculty

Current Year 13 students describe the English and Media department as 'diverse and understanding, rich in the ability to select texts and tasks which combine inspirational teaching techniques throughout the school to create a rewarding experience for all students'.

We are seeking to appoint a well-qualified and enthusiastic teacher to lead and develop a successful, forward looking and thriving curriculum area from September 2017. This is an exciting opportunity for a strong and ambitious leader who can take the department to the next level.

We are a close knit team with a wide range of experience and skills, and are renowned throughout the school for our collaborative approach to all tasks, be it designing new schemes of learning, implementing changes to our subjects or simply considering how we can consistently enhance the experience of each student that we encounter.

The department comprises five full-time and six part-time staff. The current structure sees the Head of Department having the support of KS3, KS4 and KS5 English co-ordinators and TLR holders for KS4 and KS5 Media Studies. English Language and English Literature are taught from Year 7 - 11, with Media Studies as an option in Years 9 - 11. We offer A Levels in English Literature and Media Studies.

The examination boards we are currently using are AQA GCSE English Language, English Literature and Media, also A Level Media. We follow the Eduqas A Level Literature. Encouraging enjoyment of the subject is paramount to maintaining high performance for all students.
