

## CANDIDATE INFORMATION BROCHURE

To inspire young people to make their best better

February 2018

Welcome to Wishmore Cross Academy and thank you for your interest in our Academy. Wishmore Cross Academy is based in Chobham, located close to both the M3 and M25 Motorways, in the north-west corner of Surrey. The Academy draws pupils from a range of backgrounds, both urban and rural, across Surrey and also neighbouring LEAs.

We are a proud member of Academies Enterprise Trust (AET) network of Academies and have been judged by Ofsted in our most recent Social Care Inspection as an outstanding Academy.

We have an excellent reputation for providing bespoke learning packages for pupils to allow them the best opportunity to achieve their full potential. We are also at the heart of our network of Special Academies providing expertise, training and resources to both teaching and non-teaching professionals, parents and carers.

We pride ourselves in offering first class education to the most vulnerable young people. This requires an innovative approach to education, engaging pupils in new ways of learning and most importantly experiencing success.

Our dedicated team are committed to working together in partnership with families and external organisations to ensure all pupils get the best possible education and support. We have high expectations of both staff and pupils and we provide a positive and productive environment in which to learn.

We have a well-established system for growing our own Teachers through the Schools Direct Programme.

We strongly encourage all applicants to visit our Academy prior to applying so you can make an informed judgement about whether working in this challenging environment is suitable for you.

This is an excellent opportunity to make a real difference and transform lives.

## **Wishmore Cross Academy**

We are a residential Special Academy for up to 80 boys aged 9 to 16 years who have social, emotional and mental health difficulties. We provide a highly effective and individual package of education, care and pastoral support to young people who may have had only negative experiences of school. A safe, caring environment supported by high levels of staffing ensures that each pupil has the opportunity to make progress and achieve their full potential.

The high quality of education on offer in a caring environment provides a positive choice for parents and young people. Wishmore Cross Academy is committed to a strong partnership between home and school in order that pupils achieve high standards in all areas of the curriculum.

The Academy offers a modern purpose built residential facility, Cedar House. Within Cedar House are three eight bedded units each with a large lounge, kitchen and shower or bathrooms. The boys have either single or shared rooms which they can personalise and they are encouraged to see the room as their own. The units offer a safe, friendly and caring environment and staff support the young people, by offering consistency and continuity in behaviour management, and encourage them to take responsibility for their own actions and make informed decisions.

We are able to offer flexible boarding for 2, 3 or 4 nights each week in order that we can meet individual needs of young people. Boarding has the advantage of improving attendance and can help young people make a wider circle of friends and settle into Academy life much quicker.

As part of our evening activities programme throughout the year we include mountain biking, astro turf football, badminton, bowling, laser quest, pool, snooker, tracking, dodge ball, golf, playstation, xbox, art and craft, cookery, swimming and trips out to places of interest such as Windsor, Boxhill and the beach. Each unit has its own computer and carefully regulated internet access and this can be used in the evening as well as playing a variety of more traditional games.

## **Staff Profiles**

### **Laura Bartley – Key Stage 3 Teacher**

I started working at Wishmore Cross Academy as a Learning Support Assistant in January 2011. After two years I was supported through the Schools Direct programme, linked with the institute of education, to achieve QTS and then through my NQT year.

I currently teach KS3 maths and through the AET have had access to many subject enhancement training opportunities. I enjoy supporting our pupils in developing skills that enable them to access the curriculum. Every day is different at our school and brings its own unique challenge. I really value, also, the support that is offered to all staff from being part of a strong, experienced team.

### **Daniel Kelly – P.E. Teacher**

I joined Wishmore Cross Academy in 2010 as a Learning Support Assistant for P.E. with a view to progressing into teaching. I primarily worked supporting lessons and also on a one to one basis to help improve technique and understanding P.E. The Academy supported me through the Schools Direct Programme in conjunction with the Institute for Education and I am now a fully qualified P.E. Teacher. I really enjoy my role of delivering P.E. lessons to all Academy pupils. P.E. plays a big part in pupils' social and personal development and I really enjoy helping and watching

them grow. Each day at the Academy offers its own unique challenges and there is never a dull moment.

**Rebecca Harris – Learning Support Assistant**

I originally trained as a social worker after graduating from university, but came to Wishmore Cross Academy after learning about its focus on nurture principles. Working as a Learning Support Assistant here has increased my knowledge of the needs of pupils with Social, Emotional and Mental Health difficulties and has taught me patience, empathy and resilience and has encouraged me to consider a future in teaching.

My role as an LSA involves supporting the pupils both inside and outside the classroom, often on a one-to-one basis in order to manage any barriers to learning. I also help to deliver the literacy programme recently started by the Academy to support those pupils with lower reading and writing levels. Each day is varied and presents different challenges, but by far the most rewarding part of the job is getting to build relationships with the pupils and be part of even their smallest success.
