

CANDIDATE INFORMATION BROCHURE AYLWARD ACADEMY

To inspire young people to make their best better

June 2017

Welcome from the Principal

I am delighted to welcome you to Aylward Academy. The unrelenting focus by staff on the success, achievement, welfare and happiness of students has created a vibrant ethos and an Academy where students want to come every day.

We are a caring community. Focussed individual feedback, which is essential for academy development, is guaranteed to all students. Our Vocational Hub provides additional support to students in all year groups should it be required.

'It is an outstanding, caring environment for students where high expectations have a huge impact on attainment, progress and wellbeing.' **Inclusion Quality Mark 2016.**

As an Academy we also have the flexibility to be innovative and creative in our approaches to curriculum, teaching and organisation. We aim to open minds and to open doors to new and exciting opportunities for our young people. Our Sixth Form programmes enable all students to stay here for seven years and include qualifications with formal and work based placements. We are at the forefront of curriculum innovation. Oracy is taught as a curriculum subject in Years 7 and 8 to develop confidence in speaking. Students have led in the design of a completely new course SMSC, which has been a highly popular and valued option for our students.

'The provision of spiritual, moral, social and cultural education at the Academy has a huge impact on increasing students' awareness and knowledge of the world and in preparing them for life in modern Britain.'

There are countless other opportunities for students to gain in leadership skills at Aylward Academy as we believe that students who are challenged by new and exciting learning experiences and whose personal skills, talents and abilities are extended will be best placed to reach their full potential. We aim to and are successful at developing students with a real sense of belief in what they can do.

Our resources for learning are exceptional, we have invested heavily in Information Technology and there are enough devices at the Academy to ensure that all students have access to state of the art technology in all lessons, the use of Google Classroom as a Forum for learning has had significant impact on student attainment. Our learning spaces include playing fields, Gyms and a Sports Hall, Dance and two Drama Studios. The building is modern, clean, and spacious.

Aylward Academy is proud to be part of a wider family of academies with the Academies Enterprise Trust and the opportunities for support, innovation, collaboration, partnership and excellence that ensures that we fulfil our duty to inspire young people to make their best better.

We look forward to welcoming you to Aylward Academy.

Yours faithfully

Remo Iafrate

Aylward Academy opened in 2010 and in a short amount of time the Academy has moved up from a school that had a “Notice to Improve”, (grade 4) to an Academy that is now “Good” (grade 2). The staff and pupils are extremely proud of this huge improvement and are determined to keep up the hard work to ensure Ofsted, when they return, find the Academy to be an “Outstanding” institution.

In the latest Ofsted inspection the report confirms that, “Students make good progress across a range of subjects” (Ofsted November 2016).

Leadership and Management of the Academy was praised within the report. The Ofsted team found that, “Leaders have focused on ensuring that the curriculum is wide and varied to meet the needs of the diverse pupil population”. Also, “Middle leaders share senior leaders’ vision for the school”.

The Academy continues to see an improvement in results, especially students gaining A and A* at G.C.S.E. and consistently records very high pass rates at ‘A’ level.

Remo Iafrate, Principal of Aylward Academy, is delighted that the Inspectors confirm that the Academy is now well placed to become outstanding. He said, “The report demonstrates the amazing students and staff we have here at the Academy. Both students and staff work hard to achieve their goals and it is rewarding to see this has now been acknowledged by Ofsted”
