Headteacher Mrs. M Chaplain

To our new Head-teacher,

We are delighted that you have considered applying for this job.

Our School Council is a very important part of school life. Our meetings are held monthly; we discuss what needs to be done around our school and report back to our class. We ask them for their views and opinions, taking suggestions and ideas to the next meeting. In addition, we also interview future members of staff. Which is where you come in.

We the school council, have held a meeting about what we would like to see in a new Head-teacher.

We would like our Head-teacher to be fun, but serious and firm when needed to be, our Head-teacher has to be hardworking, punctual and organised. They have to be approachable and must be able to see things from a child's point of view. They have to be a good role model (dress smartly and act appropriately) to encourage the children to be their best.

The Head-teacher should have time for the children and see what they are doing in class and be proud of us and what we achieve. They must enjoy our school! The children should be listened to and respected. We want a Head-teacher who is proud of our school and inspires and encourages us in our learning adventure.

We hope you keep this in mind and we hope you still wish to apply for this job, to make Hodthorpe an even better school !

Yours sincerely

Hodthorpe School Councillors
