

Dear Colleague

May I welcome you to Ricards Lodge High School. I hope the information included in this pack will be helpful and inspire you to take the next step by returning your application form.

Ricards Lodge is a thriving 11- 16 girls comprehensive school, with a Co-educational 6th form, RR6 run in partnership with Rutlish School. We have a clear vision for our future success, supported by an excellent CPD programme, fantastic staff and student body.

This year 78% of our students gained an 9- 4 in English and Maths, which is a testament to the hard work of the whole school community in the first year of the transition to the new GCSE qualifications. At sixth form our Year 13 results were excellent with a third of the girls grades at A/A* or equivalent. We were notified again by the SSAT last year that we had again received an Educational Outcome Awards for the 4th year in a row that put us in the top 20% of schools in England. Remembering that there are almost 3,500 secondary schools in England alone, that is some achievement.

If you would like to discuss your application or visit the school beforehand please contact us and I look forward to meeting you.

Successful candidates will be contacted within two weeks of the closing date. If you have not been contacted by then, please assume your application was unsuccessful on this occasion.

Yours faithfully

Mrs Alison Jerrard
Headteacher
