

# Glenmoor & Winton Academies

High Achievement – High Standards

Part of United Learning

## Principal's Welcome

Glenmoor & Winton Academies motto is 'High Achievement, High Standards'. We believe that every child matters and every lesson counts, creating well rounded citizens achieving academic excellence. Glenmoor & Winton is a highly inclusive school that caters for the needs of all students. We ensure our most able students are stretched academically and students with special educational needs and disabilities are expertly supported, allowing the Academies to ensure the best in everyone.

Our results in 2016 were outstanding, with Glenmoor students achieving 73% A\* - C in English and maths and Winton students achieving 82%. The results placed Glenmoor and Winton Academies as the highest performing secondary comprehensive in Bournemouth, Poole and Christchurch, and top of the United Learning group, a chain which spans the entire country and includes over 35 other academies.

Glenmoor & Winton are unique through the decision taken in September 2013 to co-locate the two Academies but remain separate schools through lessons being taught in a single sex environment. This has proved hugely successful with resources, staffing expertise and curriculum opportunities now being fully utilised for the benefit of all students at the Academies. Co-location has been seen by all stakeholders as offering the 'best of both' which I believe provides our students with the best possible chance of educational success.

The outcome of our last Ofsted inspection in June 2015, graded Glenmoor and Winton Academies as good in all areas. This is a huge achievement for everyone associated with Glenmoor and Winton as the rigour, standards and expectations placed upon schools by Ofsted through its inspection process continues to rise.

Quotes in the reports include: 'Students behave exceptionally well around the site. The Academy is a calm and safe environment for learning'; 'Students achieve well across the curriculum, and exceptionally well in English'; 'Learning is characterised by exceptionally good relationships between staff and students'.

What both inspection reports highlight is the high quality learning experience all students currently receive at the Academies and the commitment and dedication of all staff to continue to develop this philosophy of an outstanding learning experience for all students. I am delighted to share that Glenmoor and Winton academies are the United Learning CPD cluster hub schools for the south due to the outstanding induction programme and ongoing professional development all new staff receive. Colleagues at all stages of their career can access a full and rich programme of bespoke CPD.

# Glenmoor & Winton Academies

High Achievement – High Standards

Part of United Learning

As an organisation, we are values-based and expect everyone to work to our core values of integrity, compassion and courage. Students are able to access a huge number of extra-curricular opportunities across the Academies. I am hugely proud of our Sports Academies at Glenmoor & Winton in, Football (linked to Southampton FC), Netball (linked to Weston Park Blades), Cycling (Bournemouth Arrows centre of excellence) and we are the south west regional base for Handball. As well as sporting opportunities, I am pleased to report our achievements in Expressive Arts, including our choir being named as regional choir of the year for the last two years running. Students are also provided with a variety of high quality off site educational trips to places such as London, New York, France, Spain & Italy to name but a few. Extensive links are also well established with local businesses including JP Morgan and Barclays as well as local and Russell Group universities. The enterprise scheme entitled WAGES is another exciting opportunity for students attending the Academies.

At Glenmoor and Winton, we positively encourage and value the support and contribution of parents/carers. There are a number of ways in which you can become involved, including attending 'Parent Forum' meetings and joining the parent association entitled SWAG (Society Winton & Glenmoor). Please have a look at our 'PTA SWAG' tab on the website for further details.
