Headteacher: Jan Seymour

December 2017

Dear Applicant,

Thank you for the interest you have shown in Glebe Junior School.

We are hoping to appoint a new Head teacher who will continue to improve on already good achievements and make effective use of the extensive support and goodwill of our parents, pupils and governors.

Glebe Junior School presents a welcoming atmosphere with a large dedicated team of teachers, teaching assistants and support staff who are committed to providing opportunities for all pupils to develop their full potential. The members of the strong leadership team provide support and appropriate challenge to both the head teacher and the staff for whom they are responsible.

Staff are supported and encouraged to undertake professional development, which we believe benefits everyone, as skills, ideas and knowledge are effectively shared.

We place a strong emphasis on pastoral care and support for our pupils in both their academic progress and personal development. We want our children to be proud of themselves and the school while at the same time enjoying the years they spend here.

A wide and varied range of out of school activities is offered, including lunch time and after school clubs, many sporting events, a successful choir and residential visits.

The school has also developed and maintains excellent links with both KS1 and KS3 to support the children's transition through all the stages of their school life.

We welcome your continued interest in this post and look forward to finding out more about your experience, skills and views.

Yours sincerely,

Walter Greensmith
(Chair of Governors)
