Headteacher: Ms S Halliday

On behalf of the Governing Board may I say we are delighted you have expressed an interest in applying for the post of Headteacher at Meanwood Primary School. Our current Headteacher is leaving the school after many successful years' service. The Governing Board is seeking to appoint an inspirational and dynamic leader with a creative vision to move our school forward.

Meanwood Primary School is happy, inclusive and well-resourced school. We were judged to be a good school at its last Ofsted in September 2015; however we recognise the continuing challenges ahead.

We are highly inclusive school with exceptional SEND provision with an Inclusion Team. We value the school's broad provision for sport and music and are fortunate to have a dedicated Sports Coach and Music Teacher. Meanwood currently has a Nursery offering places to 2, 3 and 4 year olds who benefit from high quality early years provision, many of whom continue into Reception.

Please review our school website and hopefully you will be as enthused about the school as we are. This will be an exciting and engaging opportunity for the right applicant and we hope you will decide to apply.
