

# Appointment of TEACHER OF PSYCHOLOGY TEMPORARY PART-TIME 0.6 FTE (MATERNITY COVER)

MPR/UPR

For January 2018

Closing Date for Applications: No later than noon on Friday 17 November

# THE SOCIAL SCIENCES DEPARTMENT

The Social Sciences department is a highly successful department that delivers A-Level teaching in Psychology and Sociology. OFSTED rated all lessons in the department as Outstanding in our latest inspection (March 2013).

We require from January 2018, a well-qualified specialist to teach AS and A Level Psychology; the successful candidate would also need to be able to teach elements of the AS Sociology course.

The department has developed a reputation for high achievement in terms of Value-Added measures and as such is active in a range of extra-curricular and intervention strategies to maintain this profile. A key priority for the department is to ensure that we provide students with an exciting, varied, interactive and supportive education in order to ensure each individual

achieves to their full potential. A high proportion of students achieve grades A\*-B, and a significant number of students regularly go on to study Social Science at degree level. The growth in the popularity of Psychology as an A-Level subject is an indicator of its success over the last number of years.

The department is very well resourced with a range of electronic resources and ICT facilities, a mini-library available to all students as well as a 'chill out zone' where students can work during their free periods. The department is well used outside of lesson time with students using the facilities or attending a lunchtime revision session or academic surgery. Learning outside

the classroom is actively encouraged and the department has arranged previous visits to Chester Zoo, London, New York and Berlin. Being a Sixth Form only department gives the opportunity to generate a unique atmosphere for the staff and students and the department prides itself on the 'buzz' it creates through creative teaching and learning.

# THE CURRICULUM

Psychology is taught at AS and A Level following the AQA specification with 3-4 classes running in both years. Uptake is very high, with over eighty students in Year 12 and sixty continuing to A Level. Sociology is taught at AS and A Level with 2 classes of approximately twenty students in each class, following the OCR specification.
