

## KILLAMARSH INFANT & NURSERY SCHOOL

Acting Headteacher: Miss Tracey M Holmes  
Deputy Headteacher: Mrs P E Stockdale

Date : 17 May 2018

Dear applicant,

First of all, thank you for your interest in the Headteacher vacancy at Killamarsh Infants and Nursery.

Our school offers a great opportunity to the right candidate. Although currently rated as 'Requires Improvement' by OFSTED our inspection came at a time when significant improvements had already been made but were not fully embedded. Since our inspection we have made even further progress under a number of temporary leadership arrangements and we are confident that measures are already in place to help us achieve a rating of 'Good' at our next inspection. However, we have the desire to move beyond that and serve our children and the wider community as an 'Outstanding' school.

We have a forecast roll of 133 pupils for the coming year but with a number of housing projects planned for the local community there is significant opportunity for this to increase. The school has a very warm and welcoming atmosphere and children are both happy and hardworking. This is testament to the dedication and commitment of our teaching and support staff who always put the interests of our children first, and work well together, supporting each other to ensure that those children receive the best possible opportunities.

We are now looking for a permanent Head Teacher to help us continue with our forward momentum, somebody with the drive and enthusiasm to help the school and our children reach their full potential. If you feel that you are the person we are looking for then we would be very pleased to hear from you and happy to arrange a preliminary school visit if you would like to find out more about the school and our plans.

Kind regards

David J Hattersley  
Chair of Governors
