

Willaston Primary Academy

Working Together, Learning Forever

Willaston Primary Academy is a single entry primary school set in the beautiful South Cheshire countryside, in the thriving and expanding village of Willaston, a few miles from Nantwich.

Since converting to an Academy in September 2015 the school has continued to be rated 'good' by Ofsted (April 2018) and all stakeholders are continuing to strive to improve on the hard work already being done.

Our 210 children are a credit to their parents and the school, they are very proud of the school and its values and are at the heart of all decisions made for the school by leaders and governors. During our recent Ofsted, the inspector complemented our children on their good behaviour and commented that "pupils arrive at school full of energy and eager to learn".

The school has an enthusiastic and dedicated team of staff who work together ensuring children remain safe and happy, whilst learning in a supportive environment.

The school is supported by an active and involved governing body and an excellent PTA, known as the Friends of Willaston School (FWSA).

The wonderful school grounds are home to the annual (and world famous) World Worm Charming Championships. 'Willaston Worms', our out of hours and holiday club, which provides wrap around care for our children is even named after our famous worms!
