Welcome from the Headteacher

SAXMUNDHAM
FREE SCHOOL

I am proud and privileged to lead Saxmundham Free School. My team and I are absolutely dedicated to the development of a safe, vibrant, successful and student-centred place of learning; we believe that our young people are capable of truly fantastic things and we expect them to strive to achieve their very best whilst studying with us. Working with parents, carers and the local community, we look to provide a range of opportunities for our students to enjoy their learning and excel.

Our students tell us that they value the way lessons are delivered at Saxmundham and the strong relationships that exist in school between students and staff. This is only possible because of our small size. We offer a traditional curriculum that enables our students to flourish academically and lay the foundations for their successful progression into post-16 learning.

Our strong pastoral support system and wide range of enrichment activities help our students to develop and contribute positively to the local community. As an inclusive school we celebrate the successes of all our students together as a community and we have aspirations that everyone will make progress over and above the national average. Full details on our curriculum and our enrichment activities are available on our website.

At the heart of our success will be a strong and positive partnership between parents/carers, students, teachers and wider friends of the school. Our '6Cs to Success' underpin how we expect every member of our school community to approach learning and behaviour. To facilitate excellent communication we encourage open dialogue between home and school. To read more about our vision and ethos, please visit <http://www.saxmundhamfreeschool.org.uk/us/vision-ethos/>.

I invite you to visit us and meet our students to find out more about our offering. Please contact us to arrange a visit.

Thank you for your interest in our school, and I would like to take this opportunity to wish you well in your application.
