

HABERDASHERS' ASKE'S

CRAYFORD
ACADEMY

ETAP Assistant Principal

Executive Talent Acceleration Programme
Full time, Permanent

Are you on your way to headship? What's your ETA?

The Haberdashers' Aske's Federation is now recruiting for the next cohort of its Executive Talent Acceleration (ETA) Programme (L11 – L17). This is an opportunity for a secondary specialist based at Haberdashers' Aske's Crayford Academy from September 2018.

Our ETA programme is entering its fourth year after a previous successful cohorts. The programme provides intensive support and coaching for colleagues who think they have the capability to be accelerated to headship. You will join the leadership team and take on the role of Assistant Principal with a whole school brief. Through the programme you will have the opportunity to develop your leadership and management skills and capabilities through structured professional development activities including supervision by the principal, coaching from the CEO of the Federation, a series of professional seminars, project management training and an immersion experience at one of our other schools. Although this post is for a secondary specialist, as our schools are all-through you will have the opportunity to work across phase.

If you are a core subject leader more than ready for the next stage in your career or an Assistant Principal looking for a route to accelerate your professional learning and you believe you will be ready for deputy headship in a further two years with the correct support and development then we would like to hear from you. A full applicant pack, job description and person specification can be found on our website www.haaf.org.uk

To apply, please complete an application form available on the school website and return to Lauren Exford, HR Administrator quoting the reference number 032/ETAP AP/2017-18/CALE. If you have any questions, please contact Lauren Exford at l.exford@haaf.org.uk

SALARY:
L11 - L17
