

Dear Candidate,

Thank you for your initial interest in the Head of Primary role at the British School of Guangzhou, a member of the Nord Anglia Education family of 56 premium international schools. Over the last 2 years our current Head has overseen our continued growth to become the school of choice within Guangzhou. We are now looking for a suitably experienced candidate who is able to continue to drive standards and build on our undeniably impressive reputation.

The successful candidate will be someone who fully supports our core values and is able to help us maintain our reputation as, 'a school where children achieve academic success while enjoying the benefits from a wide and vibrant curriculum.' Experience of the UK curriculum developments will be essential for anyone who is considering applying for this role, while experience in a senior management role within a large international school is a significant advantage.

Whoever is fortunate enough to be appointed will be involved in leading a team of committed and professional teachers and teaching assistants who are willing to go the extra mile to promote a love of learning amongst all Primary students. With Primary numbers likely to be over 850 in August 2019, this is an excellent opportunity for an aspirational and experienced Primary practitioner to join a highly successful school within Nord Anglia Education.

I would encourage you to visit our website, which will give you a very strong indication of what has made our school the first choice for families within Guangzhou. Should you wish to discuss this position informally, before making a decision, feel free to contact me directly on mark.thomas@bsg.org.cn and I will do my best to answer any questions you may have.

Yours sincerely,

Mark Thomas
Principal
