Background

Island Christian Academy is a community-minded International School located in the vibrant Soho district in Hong Kong. Island Christian Academy currently has an enrolment of 415 students in Years 1-8. The school is in its seventh successful year of operation and actively expanding!

We are looking for team-oriented, people-smart teachers to join our staff and to further improve our collective capacity to improve student outcomes in all areas of learning and development.

We offer, as our core curriculum, the International Primary Curriculum (IPC). The IPC gives us a framework to structure and deliver an engaging, inquiry-focused learning programme with an integrated, thematic approach to learning. It supports rigorous, differentiated learning that is active and exciting for children. Learning with the IPC takes a global approach; helping children to connect to where they are living now as well as looking at the learning from the perspective of other people in other countries.

In addition to the IPC, Island Christian Academy uses the UK National Curriculum for English, Australian National Curriculum for Mathematics and internally-developed curricula for Christian Studies and Chinese.

We have a diverse learning programme supported by specialist teachers in PE, Chinese and Music. Our schedule provides generous collaborative time within the school day to plan and prepare with teaching partners and year-level teams.

We are passionate about emphasising a balanced approach to teaching and learning, which is visible in our programme, developing learners academically, physically, socially and emotionally and spiritually.
