The Best We Can Be

At Noel Park Primary School we are committed to helping every child succeed, whatever their background or ability. We have created a safe, stimulating and supportive atmosphere where children can love life, learning and play.

We aim to offer our pupils rich and exciting learning opportunities that help them to achieve and develop, and inspire them to do their very best. We want our children to leave us as confident and respectful young people, equipped with the knowledge and skills they need to be successful in their lives ahead.

Ofsted agree. In June 2014, they rated Noel Park 'good' in all areas, commenting that 'Noel Park is a good school where pupils achieve well, teaching is good and pupils speak positively about their school.'

In addition, Ofsted noted that, 'behaviour of pupils and attitudes to learning are good as a result of the strong relationships established by teachers and other adults in the classroom. Pupils take great pride in their environment and the eye-catching displays of their work. They speak proudly when they say, 'We don't like this school....we love it!'

Staff at Noel Park are equally passionate about the quality of the work that takes place. During our recent Investors in People assessment, where Noel Park achieved the Gold Award, staff remarked 'we are always being encouraged to visit other schools and take part in training. I am constantly learning new things. I think we all are.'

Noel Park Primary School is a key member of Academies Enterprise Trust (AET), a federation of academies created to provide thousands of students/pupils with the best possible education.

AET aims to provide the opportunity for all young learners to fulfil their real potential, broaden their horizons and become active, prosperous and successful citizens in the world around them. AET believes that all young people deserve to become world class learners — to learn, enjoy, succeed and thrive in a first rate educational environment, with the best facilities, the best teaching and the most up to date resources available to them.

AET is committed to doing everything it can to ensure that young people are able to, in the future, compete on the world stage with the skills, confidence and flair to generate new ideas, new initiatives and thereby make a full contribution to tomorrow's world.

The latest innovation in an increasing number of our academies includes access to Chromebook Flip for all teachers with the ability to cast the screen from anywhere to the large format screen at the front of the classroom.
