## Linda Wainscot, DDE

'I believe that schools are at the heart of the Church's mission to the nation and play a very important role in the life of their own parishes and communities.

The Diocese is proud of its Church of England Schools which educate about 17,000 children and young people. The headteachers, staff and governors strive to promote the highest quality in everything they do, living and working in the values of Jesus Christ every day. Our schools are a significant part of the Church family of the Diocese. Seeking to build communities of care and understanding, they witness to God's love for each person and reflect God's desire for the world to be a better place for us all to live in.'

Bishop Christopher

Students have a clear understanding of how the outstanding distinctiveness and effectiveness of the school as a Church of England school impacts on their development. Students and staff greatly value the Christian ethos of the school and are committed to its development and flourishing. Students have a mature understanding of the value of daily collective worship and the Student Worship Teams further demonstrate this by their dynamic leadership of worship in other local schools. A creative variety of approaches are used including lively contemporary songs, humour, drama, colourful puppets and resourceful leaders who are spontaneous in responding to questions and answers from the younger children. Effective planning for collective worship ensures all members of the school community can respond in appropriate ways. Students are actively engaged in form worship. They are rightly proud that the school is 'truly a worshipping community' and they are good advocates themselves in ensuring that what this means is understood throughout Rugby and in the wider diocese.
