Dear Applicant

Appointment of Teacher of Computing and IT to Vyners School

Thank you for your interest in the post of computing and IT teacher at Vyners School, an exciting, dynamic and fulfilling place to work.

We are seeking to appoint a teacher with a passion for the subject, a love of the learning process and a desire to make a real difference to the lives of the young people at Vyners. We want teachers who are innovative, creative, collaborative, resilient and solution-focused to enthuse our students to work within an exciting department.

Our aim is simple: we want to look, feel and behave like the best school in the country so that our students get a better deal here than they would in any other school. I have been in post since September 2012 and we have a clear vision of what we need to do to help Vyners fulfil this potential. We have just achieved another set of exceptional GCSE and A-Level results after four years of sustained progress. We have a fantastic team of staff at the school and I am excited at the prospect of strengthening it further through this appointment.

Included in this pack you will find the following details:-

- Job Description and Person Specification
- Application Form
- Guidance on how to apply
- Further information about the school and department

Please ensure you respond in accordance with the instructions since the process has been designed to collate and assess the information in such a manner as to make a review of candidates' submissions fair and manageable.

Your supporting letter should not exceed two sides of A4 paper and should focus on your own educational philosophy, the skills you have developed, your experiences as both a teacher and leader and what you can offer to Vyners to support us on our journey to becoming an outstanding school.

Please submit the Application form and your supporting letter, marking all documents **Confidential**, preferably by email to fwebb@vynersschool.org.uk or by post addressed to **James Heale, Headteacher, Vyners School, Warren Road, Ickenham, Middlesex, UB10 8AB.**
