Dear candidate,

Thank you for your interest in working at Elstree UTC as a Mathematics Teacher. This is a brilliant place to innovate, make and learn.

This is a creative college full of vitality and enthusiasm. Our students are a credit to us and our campus is new and well resourced. Our staff are passionate and industry credible. EUTC benefits from leading academic and industry partners and aims to be a centre of excellence and the national leader specialising in education for the entertainment, film, television, theatre, visual arts and digital communication industries.

As a new college, we are still expanding and developing our curriculum. We currently have around 400 students on role and we expect to have 600 (full capacity) by 2018.

This position provides a real opportunity for a proactive and inspiring mathematics teacher who can be part of driving forwards the delivery of mathematics and the cross-curricular engagement between industry and education at this innovative college. This subject is a very significant and valued area of study to our specialism and our students are very engaged by mathematics at EUTC. We welcome and encourage prospective candidates to come and see us and get a feel for our college.

Thank you again for your interest in being a part of the Mathematics team at The Elstree UTC and working with the creative, curious learners we work for.

Yours faithfully,

We are able to offer opportunities to work professionally in media arts content-creation including film/TV production, music production, graphic design, marketing and app development. Students will be trained and mentored to work on live briefs for real industry clients such as Elstree Studios, the MOBO Awards, Apples & Snakes, SmallTalks, Apps for Good, Elstree Screen Heritage, Team Margot and the British Library. Students develop proficiency in industry standard software, hardware and technical kit through our programme of workshops, designed to equip our learners with the skillset required for professionally recognised trades and crafts. Students who complete these workshops can then join EUTC Production crews to fulfil industry briefs for our professional clients

We are seeking to appoint an enthusiastic, inspirational and motivated Mathematics Teacher with a passion for media content development or consumption and the ability to enthuse and engage students. This is an exciting opportunity for a committed and motivated professional and would be suitable for a Mathematics Teacher who wants to work in a wonderfully creative college to exceed their potential. We are keen to welcome colleagues who share our passion for engaging students in learning and inspiring them to achieve. Visits to the UTC are welcome and encouraged.
