NOTRE DAME CATHOLIC SIXTH FORM COLLEGE

BACKGROUND

Notre Dame is a Catholic Sixth Form College located near to the universities and within walking distance of the city centre with good transport connections to the rail/bus stations. It is a very successful college of approximately 1900 full time 16-18 year olds. The College is rated as 'Outstanding' by Ofsted and is heavily oversubscribed. This is in spite of the fact that the College has a high proportion of students from disadvantaged areas (the College is in the lowest quartile of providers nationally in terms of disadvantage).

Notre Dame offers Catholic students from Leeds and surrounding towns and districts an excellent opportunity to continue their education in an environment which lives by its mission to build a community based on faith and trust. Students are supported in their personal, academic and spiritual needs. Although the majority of the students are from Catholic backgrounds, the College welcomes students of other faiths and celebrates the diversity of the student population.

Although parts of the campus are 100 years old, there has been extensive new building work in recent years. A further five teaching blocks were opened during the last 12 years, including new science labs and the latest addition opened at Easter 2016.

At present approximately 92% of students follow A Levels or Applied Level 3 courses. The remainder follow Level 2 courses.

Notre Dame has an extensive range of enhancement and enrichment activities, involving many team sports, drama, voluntary work, overseas visits (Spain, France, USA, Prague, China). There is a first class programme of student support and a very active Chaplaincy group.

Notre Dame's success rate makes it one of the best sixth form centres in the region. Student progression is excellent, with circa 80% progressing to University, a significant number achieving Russell Group and Oxbridge places.

LEARNING SUPPORT AT NOTRE DAME

The Learning Support department has a cross-college role supporting the learning of students on all courses, to enable them to achieve their full potential. It offers additional learning support to students with learning difficulties and/or disabilities and also to those with literacy, numeracy and study skills needs. Students are offered taught sessions individually, in small groups, or on-course. The department works with external agencies, as required, to meet the needs of students.

The College continues to develop a whole college approach to inclusivity, with staff and students working together. A programme of adjustments to the buildings, materials used and teaching methodology is on-going. It is the Learning Support department's responsibility to identify students with additional learning needs and share how these will be met during the student's time at Notre Dame, including Access Arrangements for examinations.
