Principal Mark Malcolm

Dear Applicant,

Thank you for expressing an interest in the post of Design and Technology Teacher – Food and Textiles at The City Academy, Hackney. We are achieving exceptional results to match our status as an outstanding school. 82% of our students achieved five A\*-C grades with English and Mathematics, and 53% achieved the English Baccalaureate. This has been achieved in an academy with levels of attainment below the national average on entry, and over 60% are entitled to pupil premium. We have also just received our first set of A Level results, with 83% of students achieving A\*- C grades, and all students securing either a university place or high quality apprenticeship.

This is an exceptional school with high expectations, tight discipline and an exciting curriculum. It is a place where teachers gain experience in a high achieving environment which enables them to quickly develop their practice and progress in their career. I can promise you that this will be one of the most rewarding places to work and that aside from the intrinsic challenges and rewards this post offers, there are many other benefits for staff who work for us.
