

# THE SUTHERS SCHOOL

<b>Job Title</b>	Teacher of Science
<b>Start Date</b>	September 2018
<b>Salary</b>	MPS/UPS with potential TLR 2b
<b>Contract Type</b>	Full Time/Part Time
<b>Contract Term</b>	Permanent
<b>Closing Date</b>	Friday 20 April 2018
<b>Interview Date</b>	Thursday 3 May 2018

The Suthers School is a brand new 11-18 academy which welcomed its first cohort of students in September 2017. We are now seeking to appoint a well-qualified Teacher of Science to play a critical role in supporting us in our mission to deliver a first-class education to all students.

By striking a balance between challenge and support and by ranking character education alongside academic preparation, The Suthers School seeks to provide the very best foundation for all its students, no matter what their starting point. If you too are driven by the desire to give every child the ambition to succeed and equip them with the skills they need to take their place as the leaders of tomorrow, then we would love to hear from you.

The successful candidate will not only have the opportunity to help build a new department but will also help shape the development of this brand new school. For a suitably qualified candidate there may also be the opportunity to take on the role of Lead Teacher for Science (TLR2b).

As an employer we offer an enhanced benefit package to all staff that includes help with healthcare and a fully-funded MA programme for all teaching staff. We can also offer help with relocation in certain circumstances.

To apply for this post, please submit a completed application form and covering letter (max 2 sides of A4) in which you outline the ways you feel your career to date would equip you to take on this important role at The Suthers School.

It is anticipated that interviews will take place on Thursday 3 May 2018. If you have not heard from us within 2 weeks of the closing date, please assume that unfortunately, on this occasion, your application has not been successful.

## **Safeguarding**

The Suthers School is committed to safeguarding and promoting the welfare of children and young people and we expect all staff and volunteers to share this commitment.
