

To whom it may concern,

Let me introduce you to Green Meadow Primary School. This School is one of the best schools. The teachers always plan nice activities for students to do. There is so much amazing equipment to use, for example at lunch time you can have skipping ropes, hoops and basketballs to play with. We even have a climbing frame to play on! There are so many fun and amazing books to read here and you will learn so much! You can even learn French with a specialist French teachers.

The teachers can be really fun and they can be really fun and they will always help you when you're stuck. You will not want to go home at the end of the day, that is how fun School can be. After school you could do clubs like Violin, recorders or Dance. On a certain day you have a topic day which is when you come to School dressed in a costume that links to your topic, like Vikings, Victorians or Rainforest. There are so many activities that you can do. I hope you enjoy your visit.

Yours sincerely,

Latoya
