Weavers Academy

Striving for success, focusing on learning

Dear Applicant

Thank you for showing an interest in teaching at Weavers Academy.

This is an exciting time for the school following our Ofsted inspection last May where leadership, teaching, outcomes, personal development, behaviour, welfare and post-16 programmes were all judged good.

In particular, we are absolutely delighted that inspectors noted that the culture of higher expectations had resulted in the rapid improvements seen in recent times.

However, we are not complacent.

We aspire to being a school of first choice for the community, a beacon of hope, a provider of not just a 'good' education, but a 'world class' one! We want our staff, students, families and governors to judge Weavers Academy to be an outstanding school and we want to have that externally verified by Ofsted when they next visit us.

There is still a distance to travel but our improvement journey is now in a new and very exciting phase. Although students in all year groups make good progress across a range of subjects, further early targeted intervention is needed to ensure that all students – including the most able – make the good progress of which they are capable and achieve the highest levels of attainment.

Whilst Ofsted noted the good behaviour and attitudes to learning of the students, we want to drive this area of the school's work further forward so that outcomes are good and better for everyone.

We are looking for a colleague who is able to seize the initiative, who enjoys solving problems, is analytical but highly creative. You will need to be driven to deliver, be able to remain constructive under pressure and consistently demonstrate the communication and collaborative skills needed to persuade and influence others.

If you feel that you possess these professional characteristics and are ready to take the next step we would like to hear from you. Please submit a short supporting statement (no more than 2 sides of A4) outlining how you feel that you fit the requirements of the person specification.

The application deadline is **12 noon on Friday 18 May with interviews on 22/23 May 2018**

Applicants should refer to the 'Guidance on the Application Process' provided.

Your sincerely,

Vivien Swaida
Principal

English at Weavers Academy

The English learning area is led and managed by an Assistant Principal together with a number of TLR post-holders.

Students enjoy learning English at Weavers Academy; outcomes in 2017 showed students made good progress, and is in line with national averages. Progress 8 in 2017 in English is positive.

We attribute these successes to the importance that we place on the quality of teaching and learning. Marking and student response to feedback is particularly strong in the English curriculum area and as a result it reinforces learning and progress.

The English curriculum is located in its own building. All classrooms are equipped with projectors and visualisers and are serviced by teacher laptops.

Organisation of teaching and learning

Lessons are taught in 1 hour periods.

At KS3 students have 10 periods of English a fortnight.

At KS4 and KS5 students access 8 lessons a fortnight (which is supplemented in the sixth form with 20-25 hours of planned individual study over a 6-week teaching sequence).

Curriculum

The KS3 English curriculum has been designed to enable students to progress in the essential skills that they need to acquire in order to build a firm foundation. We prioritise the teaching and learning of inference, analysis, comparison and critical evaluation within the context of a broad range of texts and sources.

At KS4 students study the AQA English Language and AQA English Literature programmes and in KS5 students either follow the AQA English Literature or/and the AQA English Language A Level specifications.

We are members of 'PIXL' and offer students access to a wide range of strategies and interventions as participants in the programme. The school provides a comprehensive range of literacy interventions both within and beyond the classroom including 'Lexonic', 'Lexia' and 'Fresh Start'.

Media at Weavers Academy

In Creative iMedia our students are making good progress on this OCR Cambridge Nationals course (GCSE equivalent). As a result we would like to offer more students the opportunity to study this popular subject in Year 10. The course gives learners a strong grounding in pre-production techniques for the examined unit whilst the coursework allows them to create adverts and digital signage.

Experience of teaching media at KS4 to include:

- Pre-production skills
- Camera techniques
- ICT - file formats/properties/composition etc.
- Planning and creating digital graphics - knowledge of Photoshop
- Digital video sequence - knowledge of using digital camera and using moviemaker
