School Context

Galleywall is just starting out, growing by one cohort each year until 2022. The future for Galleywall is exciting, we are in the process of a £6 million development programme of the building. Our magnificent building was originally established as a school in 1879 and it is our intention to resurrect the history of the school and the stories within its walls. We are working with local historians to learn about that history and share it with the children.

We are located very centrally a short 10 min walk from Bermondsey Tube Station, 5 mins from South Bermondsey Train Overground, only 5 min from London Bridge, and on the 381 and 1 Bus Routes.

Educational Vision

Our overarching vision is a school which exemplifies 'Outstanding' primary practice, evidenced by outstanding attainment and progress for all children. At the foundation of Galleywall lies our shared values, which reflect the way of life, beliefs and cultural context of our city and our country.

An Innovative and Exciting Curriculum

Our integrated curriculum is one which generates innovative approaches. We develop every child's understanding, confidence and courage to take risks along the way, while promoting a developing sense of autonomy and a love of learning.

As we live in the most exciting capital city in the world, our curriculum is uniquely designed to make the most of all the learning opportunities that London has to offer. We believe our children deserve the best and invite specialists in their field to visit Galleywall and inspire our children; Poets, Authors and Artists. Our curriculum encourages all children to participate with enthusiasm in sports, the performing arts and learning languages. The children are offered opportunities to learn Mandarin and to perform.

In Reception, there is an investigative, play based approach to learning maximizing the use of both the indoor and outdoor classroom. While in KS1 and KS2 our skills based curriculum has an emphasis on literacy and drama, independent enquiry, reflective thinking and collaboration. We do this through an evolving, engaging curriculum.

Parents and Galleywall

Galleywall has a strong and positive relationship with our parents. We believe they are key to a child's progress and offer them workshops on key aspects of the curriculum; reading, speech and language and numeracy. - 100% Agreed their child was making progress
- 100% Agreed we helped them support their child's learning
- 100% said they would recommend the school to other parents
