WELCOME TO ST DUNSTAN'S COLLEGE

Welcome to St Dunstan's!

We are very proud of this community and believe we offer something genuinely different and exciting for the families and staff who join us. Our Lewisham setting allows us the privilege of working in a diverse and vibrant school that, combined with our co-educational ethos and smaller size, engenders a culture that genuinely cherishes individuality and celebrates open-minded thinking.

Underpinned by a liberal, Christian heritage, we deliberately embellish the values embodied by St Dunstan, using the life of that great polymath to guide our own educational narrative. We are a dynamic institution, encouraging creativity and innovation in all we do. We want all our pupils to embrace the richness of the broad and cutting-edge education we offer here and our staff to be excited by what we are able to provide for the children under our care.

As a Nursery to Year 13 College, we pride ourselves on genuinely knowing our children and families, and we hope that everybody who joins us will feel an important part of this exciting community.

Mr N Hewlett
Headmaster

ST DUNSTAN'S COLLEGE

The history of St Dunstan's College can be traced back to 1408, making it one of the oldest schools in the country. It still retains strong links with the City of London, from where it originated. For the last 125 years the College has been located in Catford, within the Borough of Lewisham, in South East London. The location of the College is a key element in defining its identity and the College is proud of its reflection of the diverse and vibrant community in which it is located. The Headmaster is a member of HMC (The Headmasters' and Headmistresses' Conference) and the Head of the Junior School a member of IAPS (The Independent Association of Prep School Heads). The College Leadership Team, chaired by the Headmaster, consists of the Bursar, the Head of Junior School and the Deputy Heads of Senior School. Admission to the College is competitive at all entry points.

St Dunstan's has a truly coeducational ethos, following the admission of girls in 1994, for over 940 pupils aged from 3 to 18 years. The Pre-preparatory Department was established in 1995 and a Nursery followed in 2008. Both now form part of a flourishing Junior School which sits within the College site and, by extension, is an essential component of College identity. Most Junior School children transfer on to the Senior School as a natural transition. Parents like to commit to the whole-College 'family' and a large proportion of parents have more than one child at the College. The social life of the College is therefore an important feature of its ethos and our 'Family Society' is as important in name as it is in what it achieves.

The College has enjoyed considerable development and refurbishment over recent years, with an investment of several million pounds and a significant programme of capital works planned for the next few years. The relatively recent acquisition of 30 acres of playing fields, just 500 metres away from the College buildings, provides an exciting opportunity for further development on both sites.

The size of the College is small compared to many of its competitors, offering all pupils cohesive community that celebrates individual talents, strengths and approaches to learning and development within a friendly, inclusive and nurturing environment. The diversity of the College is furthered by the inclusion of international students from a whole range of different countries around the world. The College has a particularly special link with Hangzhou, China. The ethos of the College is welcoming, without pretence, and draws upon the liberal Christian values of its foundation. Relationships between all members of the community are based upon mutual respect and this is well embedded. St Dunstan's is a happy place in which to learn and teach, where great careers are launched and genuine friendships are forged.

THE DEPARTMENT

PE and sport at St Dunstan's has undergone significant change in recent years. The incoming Director of Sport took the department through a restructure in September 2015, and the new team have completely redesigned the curricular and co-curricular programmes with the full support of the College Leadership Team. The Director of Sport is proud to be supported by an exciting team of Heads of Sport who are responsible for the strategic planning and development of each of the Core Sports; rugby, netball, football, hockey, swimming & multisport and cricket.

The primary focus for the department is curriculum PE, which presents an opportunity to inspire students to enjoy and achieve their potential not just in sport, but when they go back into the classroom and on into their chosen careers. Breadth, balance, a phased approach to physical development and careful management of competition are features of the curriculum, with students accessing up to 30 activities in the hope that they all find sports that they love to promote lifelong involvement in physical activity. In keeping with our values the curriculum from Year 3 – 9 has undergone significant change, with students being assessed not just on their physical development, but also through personal, social, cognitive and creative strands. PE is a popular subject beyond Year 9 with uptake on the GCSE course increasing each year for the last three, with many continuing to study at A Level.

The curriculum is supported by an extensive co-curricular programme that has a termly focus on core sports. In the Michaelmas term rugby and hockey, then football, netball, swimming and multisport in the Lent term and cricket in the Trinity term. Pupils also have the opportunity to compete in other sports with regular basketball, cross country, fives, triathlon, athletics, rounders and tennis fixtures against other schools at various stages through the year. We are then fortunate to have a daily timetabled slot after lunch which gives us the opportunity to use coaches and staff from outside the department to run clubs in sports not offered in lessons. Examples have included judo, boxing, golf, cycling, fencing, volleyball, waterpolo, tennis and table tennis.

Our rapidly evolving sporting facilities are spread over two sites, each within comfortable walking distance. On the school site we have a sportshall (four badminton courts), two S&C spaces (currently undergoing development), a 30m pool (currently undergoing development), four outdoor courts and fields which are set up to match the focus of the term but with space for five pitches. The Jubilee Ground is currently under development and as of September 2018 will have four grass pitches, six all weather five-a-side pitches, one seven-a-side pitch, a full size hockey astro (all fully floodlit) and a studio. In addition to sporting space there is also a fully equipped function room with bar, a café and three meeting rooms should they be required. Exciting plans are in place for further development of both sites, and the successful candidate will be fully involved in this process along with the Director of Sport and the rest of the team.

We are seeking a highly motivated, energetic and outstanding teacher to make a full contribution to our curriculum programme with the vision, expertise and enthusiasm to drive their sport forward and make a full contribution to the wider life of this forward thinking and rapidly evolving independent school.

The successful candidate will be expected to contribute to the development of all aspects of the department, its staff and the wider College community

APPLICATION AND RECRUITMENT PROCESS

General

St Dunstan's College is committed to ensuring the best possible environment for the children and young people in its care. Safeguarding and promoting the welfare of children and young people is our highest priority.

The College aims to recruit staff that share and understand our commitment and to ensure that no job applicant is treated unfairly by reason of a protected characteristic as defined within the Equality Act 2010.

All queries on the College's Application Form and recruitment process must be directed to Ms Chloe Goodacre, Head of Human Resources on recruitment@sdmail.org.uk

Application Form

Applications will only be accepted from candidates completing the application form in full. CVs will not be accepted in substitution for completed Application Forms. Application forms can be completed online or in hardcopy. If completed in

hardcopy, they should be emailed or posted to the College for the attention of Ms Chloe Goodacre. Candidates should be aware that all posts in the College involve some degree of responsibility for safeguarding children, although the extent of that responsibility will vary according to the nature of the post.

As the job for which you are applying involves substantial opportunity for access to children, it is important that you provide us with legally accurate answers. Upfront disclosure of a criminal record may not debar you from appointment as we shall consider the nature of the offence, how long ago and at what age it was committed and any other relevant factors.

Please submit information in confidence enclosing details in a separate sealed envelope which will be seen and then destroyed by the Head or the Bursar. If you would like to discuss this beforehand, please telephone in confidence to the Head or the Bursar for advice. Please disclose any unspent convictions, cautions, reprimands or warnings.

Please note that the amendments to the Exceptions Order 1975 (2013) provide that certain spent convictions and cautions are 'protected' and are not subject to disclosure to employers, and cannot be taken into account.

Guidance and criteria on the filtering of these cautions and convictions can be found at the Disclosure and Barring Service website.

The successful applicant will be required to complete a Disclosure Form from the Disclosure and Barring Service ("DBS") for the post. Additionally, successful applicants should be aware that they are required to notify the College immediately if there are any reasons why they should not be working with children. This includes any staff who are disqualified from childcare or registration including 'by association' i.e. they live in the same household (or someone is employed in their household) as someone who has unspent cautions or convictions for a relevant offence.

The 'by association' requirement also applies if you live in the same household as or someone is employed in your household who has been disqualified from working with children under the Childcare Act 2006.

The Childcare (Disqualification) Regulations 2009 apply to those providing early years childcare or later years childcare, including before school and after school clubs, to children who have not attained the age of 8 AND to those who are directly concerned in the management of that childcare.

The College takes its responsibility to safeguard children very seriously and any staff member and/or successful candidate who is aware of anything that may affect his/her suitability to work with children must notify the College immediately. This will include notification of any convictions, cautions, court orders, reprimands or warnings he/she may receive. He/she must also notify the College immediately if he/she is living in a household where anyone lives or works who has been disqualified from working with children or from registration for the provision of childcare.

Staff and/or successful candidates who are disqualified from childcare or registration, including 'by association', may apply to Ofsted for a waiver of disqualification. Such individuals may not be employed in the areas from which they are disqualified, or involved in the management of those settings, unless and until such waiver is confirmed. Please speak to the Head of Bursar for more details.

Failure to declare any convictions (that are not subject to DBS filtering) may disqualify you for appointment or result in summary dismissal if the discrepancy comes to light subsequently.

The College has a legal duty under section 26 of the Counter-Terrorism and Security Act 2015 to have 'due regard to the need to prevent people from being drawn into terrorism'. This is known as the Prevent duty. Schools are required to assess the risk of children being drawn into terrorism, including support for extremist ideas that are part of terrorist ideology. Accordingly, as part of the recruitment process, when an offer is made the offer will be subject to a Prevent duty risk assessment.

If you are currently working with children, on either a paid or voluntary basis, your current employer will be asked about disciplinary offences, including disciplinary offences relating to children or young persons (whether the disciplinary sanction is current or time expired), and whether you have been the subject of any child protection allegations or concerns and if so the outcome of any enquiry or disciplinary procedure.

If you are not currently working with children but have done so in the past, that previous employer will be asked about those issues.

Where neither your current nor previous employment has involved working with children, your current employer will still be asked about your suitability to work with children. Where you have no previous employment history, we may request character references which may include references from your school or university.

You should be aware that provision of false information is an offence and could result in the application being rejected or summary dismissal if you have been appointed, and a possible referral to the police and/or DBS.

Invitation to Interview

Applicants will be short-listed according to the relevance and applicability of their professional attributes and personal qualities to the role. Short-listed applicants will then be invited to attend a formal interview at which his/her relevant skills and experience will be discussed in more detail.

All formal interviews will have a panel of at least two people chaired by a member of Senior Staff. The interviewers involved will be required to state any prior personal relationship or knowledge of any of the candidates and a judgement will be made by the Chair as to whether or not an interviewer should therefore withdraw from the panel.

Should the Chair have a conflict of interest, the Vice Chair shall decide whether the Chair should withdraw from the panel.

The interview will be conducted in person and the areas which it will explore will include suitability to work with children.

All candidates invited to interview must bring documents confirming any educational and professional qualifications that are necessary or relevant for the post (e.g. the original or certified copy of certificates, diplomas etc).

Where originals or certified copies are not available for the successful candidate, written confirmation of the relevant qualifications must be obtained by you from the awarding body.

All candidates invited to interview must also bring with them:

- A current driving licence including a photograph and paper counterpart or a passport or a full birth certificate;
- A utility bill or financial statement issued within the last three months showing the candidate's current name and address;
- Where appropriate any documentation evidencing a change of name;
- Where the candidate is not a citizen of a country within the European Economic Area or Switzerland, proof of entitlement to work and reside in the UK.

Please note that originals of the above are necessary. Photocopies or certified copies are not sufficient.

Candidates with a disability who are invited to interview should inform the School of any necessary reasonable adjustments or arrangements to assist them in attending the interview.

Conditional Offer of Appointment: Pre-Appointment Checks

Any offer to a successful candidate will be conditional upon:

1. Receipt of at least two satisfactory references (if these have not already been received);

It is the College's practice that a successful candidate must complete a pre-employment health questionnaire. The information contained in the questionnaire will then be held by the College in strictest confidence. This information will be reviewed against the Job Description and the Person Specification for the particular role, together with details of any other physical or mental requirements of the role i.e. proposed workload, extra-curricular activities, layout of the School.

The College is aware of its duties under the Equality Act 2010. No job offer will be withdrawn without first consulting with the applicant, considering medical evidence and considering reasonable adjustments.
