'Excellence through collaboration'

Dear Applicant

Teacher – Art & Design (Textiles)

Thank you for showing an interest in the post of Teacher of Art & Design (Textiles) at Bishop David Brown School.

I am extremely honoured to be leading this fantastic school from September and I am looking for a colleague who has the foresight and determination to support us in taking the school to outstanding.

We have recently joined a Multi Academy Trust, the Unity Schools Trust, and this alliance will create exciting opportunities to develop all aspects of the school. It will provide additional support and wider strategic leadership to the Academy as it enters the next phase in its development.

My vision is that we do whatever it takes to ensure every student at Bishop David Brown reaches their full potential. No shortcuts, no excuses, just hard work in order to ensure this happens.

My aim is that we create a culture of excellence and become the school of choice in Woking. We will do this by being relentlessly positive, showing resilience and treating each other with respect.

If you feel you have what it takes to support our school on its journey then we want to hear from you.

The closing date for this post is **Friday 23 June 2017 at 12 noon**. Interviews will take place the following week although we reserve the right to interview suitably qualified candidates on receipt of application. Please do not hesitate to contact Carol Ball on 01932 359118 or cball@bdb.surrey.sch.uk if you wish to arrange a visit to the school prior to interview.

Yours faithfully

Background Information

Bishop David Brown is a small school where everybody knows each other well. Our average class sizes are below national expectations and this is valued by all.

One thing we are certain of is that students work to the best of their ability in a school where they are healthy, enjoy their education, stay safe and make positive contributions to the community. Visitors always comment on the caring, friendly atmosphere and the polite, happy students.

We want all our students to value their time with us, to develop lasting friendships, have positive experiences and develop the confidence to exceed expectations in whatever they do. We continually strive to support our students in gaining skills, qualifications and achievements in preparation for their life after school. To provide this positive environment we strive to employ excellent staff who want to give, and gain, from the enriched learning environment. They work well together to make this school a successful and happy community.

The Art department is thriving and has a motivational atmosphere where students freely attend during break times to learn new skills and develop their creative interests. It is well-resourced and subjects in this area are popular with students.

The Art and Design department comprises of three large classrooms, two storage rooms and an office. The textile classroom is a newly built area that was designed specifically for sewing machine use with a table unit running around the outside of the desk area. The bright and spacious room consists of sewing machines, heat press, display boards, whiteboard and the capacity to comfortably seat thirty students. The large textile storage room is well equipped with materials to deliver the AQA Textile Design GCSE course to approximately 50 students over Years 9, 10, and 11.

Year 7 and 8 student Art and Design classes take place twice a fortnight and cover three projects throughout the course of the year. Textiles are taught on a carousel which is rotated every eight weeks throughout Key Stage 3. The students are taught a variety of theoretical, practical and experimental skills and knowledge through engaging and challenging projects. Students are expected to gain experience in artist research, observational drawing and painting, developing of ideas and creating final outcomes. Students experience a wide range of 2D and 3D skills, using a wide range of media, such as printmaking, textiles, painting, drawing and photography.

The successful candidate will have a textiles specialism but should be prepared to teach some graphics. Appropriate training and support will be provided, if required.
