## MUSIC DEPARTMENT

### The Department

This is a creative and supportive department, staffed by colleagues with a vision of outstanding teaching and learning and a passion to inspire every student to enjoy, achieve and succeed in music. The department maintains an excellent reputation within the city and has strong partnerships with One Education, RNCM, University of Manchester, Manchester Cathedral and other city arts organisations.

### Staffing

The Music Department at Trinity currently has two full time teachers and two part time teachers and is led by an innovative, determined Director of Music with a passion for exceptional music education. There is also a full time technician who supports the work of the department, which is a cohesive and friendly unit of colleagues working as a team.

We are now looking for an inspirational, talented, NQT or experienced teacher with keyboard skills and a good knowledge of music technology to join our music team. Our new colleague will be expected to teach music creatively and imaginatively and will be encouraged to contribute to innovative schemes of work.

### Curriculum Organisation

There is a clear emphasis on music at Trinity with a large number of students pursuing instrumental tuition. Music has a special place in the curriculum. All students study music at Key Stage 3 in small class sizes (less than 16) and there is a very healthy uptake of both GCSE Music and BTEC Level 2 Music. The department is currently setting up the Edexcel A Level course to deliver from September 2016. Standards of teaching and learning, along with extra-curricular music making, are excellent with a good take up of peripatetic music tuition.

### Accommodation/Resources

The department runs across three teaching rooms. These include two suites of Apple iMacs running Logic Pro X, Sibelius, and GarageBand, and one practical music room. Every classroom is equipped with a full class set of keyboards. The department has a range of practice rooms, all of which contain a piano, including a band room, which is equipped with electronic drum kit, electric guitars and bass guitars. There is also a multi-purpose recital room, which includes steel pans and can be used to deliver lessons on Samba, percussion and African drums.

All equipment is available for use outside of timetabled lessons and we also have a 32-track digital recording studio with attached live-room that is available for use by all students both in lessons and through extra-curricular activities.

### Extracurricular Activities

The extracurricular programme at Trinity is varied and vibrant. Ensembles include orchestra, school choir, chamber choir, gospel choir, brass ensemble, worship band, flute choir, steel band, jazz collective and various other groups.

We make good use of the opportunities presented by our proximity to the Royal Northern College of Music, performing our Anniversary concert in the concert hall annually. Our Advent service is held at St. Ann's Church, and our Christmas Celebration Service is held at Manchester Cathedral.

For several years the choir and orchestra have undertaken concert tours abroad, as well as completing a full programme in Manchester. Tours have taken place in the Alsace region, Brussels, Italy, Massachusetts, Dublin, Edinburgh, Paris, Barcelona and Tuscany.

In March 2017 we performed The Wizard of Oz to an audience of over 1000. Other recent school productions include Guys and Dolls and Little Shop of Horrors and Lionel Bart's Oliver! There is an expectation that the successful candidate will have excellent piano skills with an ability to accompany the school choirs and will need to be energetic, innovative and able to contribute fully to a very busy extra-curricular programme.

Trinity Church of England High School was opened in 1984 with the foundation motto of "Faith in the City, Value in People, Excellence in Education". Today, over thirty years on, Trinity is an outstanding place of learning, promoting the education of students in a community which is positively Christian but welcomes the children of parents of other faiths.

Trinity quickly established itself as a popular school serving the City of Manchester and districts beyond. Its teachers, support staff and students worked to create a school with a distinctive atmosphere, both demanding and caring, which reflects the hopes that parents have for their children. This outlook contributed towards the genuine sense of partnership between home and school and has, in turn, helped to provide feelings of security, structure, happiness and well-being.

Located adjacent to Manchester University, Manchester Metropolitan University, Manchester Museum, the Science Park and the Royal Northern College of Music, we are easily accessible from all parts of the city and are close to the many amenities of the city centre. We make good use of our proximity to both universities, theatres, galleries, museum, the RNCM, the Aquatics Centre and Sports City.

The school's excellent sports facilities comprise a sports hall, fitness suite, gymnasium, dance studio, full size floodlit artificial pitch and floodlit 3G multi-sport courts. The sports centre assists our links with the community.

School departments are well resourced and this has enabled us to combine the best of tradition with innovative practice. We seek to develop a breadth of experience so that, for example, our science, technology and mathematics are well balanced by artistic, linguistic, aesthetic, creative, moral and spiritual activities. Special attention is paid to developing the capacity of students to study independently and co-operatively.

Students joining Trinity from primary school are selected from various religious traditions in given proportions in order to maintain the Christian character and Anglican distinctiveness of the school. At the same time, we encourage and promote a tolerant understanding of different religious beliefs and cultures.

Trinity's most recent Ofsted Inspection took place in January 2014, and we were judged to be 'Outstanding' in all categories and 'Outstanding for overall effectiveness'. The most recent National Society (Anglican) Inspection, in June 2016, assessed Trinity 'Outstanding' in every category and 'Outstanding' overall. Also in 2016, we achieved two further accolades: Full International School and Teaching School status.

Trinity recently benefited from a £21.5 million Wave 4 BSF buildings & ICT investment, which comprised an 80% rebuild and 15% modernisation. Work was completed in the summer of 2011 and the new school was formally opened by the Archbishop of York in September 2011. We became a converter academy the following year. Trinity is now able to offer an outstanding 21st century education to its 1300 students.

The latest capital development, the £3 million brand new Trinity Sixth Form Centre, opened in September 2016, and will have a capacity of 240 students, eventually taking the school student population up to 1460.

In conclusion, our overall aim is *"To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well qualified citizens of the world."*
