Lunch Cover – Main School

Hot and cold lunches are prepared off site by our caterers and delivered to the School each day. There is a daily choice of hot, cold or vegetarian lunches which the children have chosen in advance. The kitchen assistants then plate up the cold lunches and serve the children who have chosen hot meals when they are invited to collect their meal from the servery. Each day a dessert or fruit option is also available which has been chosen in advance. Some fruit will require cutting up prior to serving.

Pre-Prep

The pre-prep children come into lunch at midday and are supervised by a mix of lunchtime assistants and teaching staff who help the children whilst they eat their lunch, cutting up food,

ensuring good manners and consideration for others. Not all children are good eaters and therefore we work hard on encouraging them to eat more. Plates are cleared by lunchtime assistants. Following lunch the children go out to play where the assistants walk round and interact with the children during this time.

Prep Department

Prep Department play is from 12 – 12.30pm lunchtime assistants walk round interacting with the children ensuring safe play and help where required using play equipment. The children in the prep department go in for lunch at 12.35pm. The assistants ensure the children all have water and the correct lunch, are well behaved, have good manners and show consideration for others. Once again there are children who are not good eaters who need to be encouraged to eat more. Children clear their own plates and cups away once they have finished.
