Why choose Caxton?

CAXTON COLLEGE is located in Puçol (Valencia), 3 Kilometres from the sea and in ideal

climatic surroundings. From the windows of our new purpose built Secondary building you can gaze at the Mediterranean, or the mountains of the Sierra Calderona, all against the backdrop of a bright blue sky...always a nice way to start the working day! And to end the day you can always have a relaxing swim in our indoor heated pool, or burn off some energy in our state of the art gym, all free for Caxton colleagues.

The area is easily accessible with the school being situated 19 kms from the thriving city of Valencia, where you can enjoy traditional Tapas and Flamenco, or visit the world famous futuristic Science Park, containing the world's largest aquarium. Valencia's city centre is only twenty minutes away from the school by train, so whether you choose modern city living or the more traditional local lifestyle, there is a Spanish experience to suit everybody.

Our primary aim is to offer a high quality, modern education which adapts to the new social and technological needs catering for pupils from Playgroup through to the Sixth Form. Our determination to fulfil this aim becomes evident when you see our excellent results at both IGCSE and A Level, with a number of our students being invited to interview at both Oxford and Cambridge Universities.

We are proud of our school and our committed team, and we therefore look for individuals who can bring new ideas, but can also adapt to our own particular school ethos.

Does Caxton College sound like the right place for you?

Our Philosophy

As a private co-educational school based on Christian values we aim to provide pupils with the skills necessary to form independent opinions. We promote a whole child approach with an experimental methodology to develop responsible citizens and competent professionals. The understanding of both British and Spanish cultures is fundamental. Parents are encouraged to contribute to their child's education by helping them develop positive intellectual and moral habits.

Our Vision

Caxton College Secondary, a school that values each child as an individual, whilst working together as a community.

At Caxton College we believe that in order to deliver the best quality education to our students, teachers require the time to plan and mark effectively. For this reason we are generous with our allocation of non-contact time, giving two lessons per day for a main-scale teacher.

We also highly value our Pastoral System and believe that the relationship between tutors and parents is extremely important, so we give tutors extra non-contact time for this purpose.

Our middle managers, both pastoral and academic, are also given extra non- contact time so that they can continue to monitor and develop their area of responsibility.
