Primary Extended Learning Teacher (August 2019)

\*\*\*\*\*

For August 2019, Bangkok Patana School seeks an imaginative and enthusiastic teacher to work with students on the Gifted and Talented (G&T) Extended Learning programme. The G&T (Extended Learning) teacher works in a collaborative way, planning with class teachers and developing individual programmes to ensure the needs of our very capable students are met. Experience of successfully teaching the English National Curriculum is beneficial and implementing recent UK initiatives is highly desirable.

The staffing for extended learning provision will include three teachers one in Key Stage 1, one in lower Key Stage 2 and one in upper Key Stage 2. One of the teachers will take on leadership for the programme.

The Extra-Curricular Programme is considered a vital and integral component in the education of our student community. Therefore, applications are particularly welcome from teachers with experience, passion and talent in the areas of visual and performing arts, community service, debate, outward-bound activities and sports.
