### About Us

- Christ Church was built in the 1860's, but the school has enjoyed site developments to increase and improve our facilities. We are situated right on the edge of Oxleas Woods, which is a great natural resource

- We have a strong focus on pupils being taught key skills through our core subjects at Christ Church but we have also worked hard to develop a creative curriculum that really excites our pupils. We want them to enjoy the Christ Church experience.

- We are a Church of England Primary School within the Southwark Diocese (SDBE) and have great links with other schools within our diocese. We also work closely with a group of other local schools and believe in sharing our expertise as well as learning from others. This is called The Working Together Group.

- In 2017, we were the joint highest attaining school in Greenwich for KS2 results in reading, writing and maths. Results were also very strong across KS1. Our progress scores at the school are also high. We want all of our learners to develop to their potential not only academically, but also socially and spiritually.

- We have a strong Christian ethos and are committed to the well-being of our pupils and staff. We want our pupils to be leaders of their own learning and play a meaningful role within our community.
