

INFORMATION FOR APPLICANTS

Head's Foreword

On behalf of the staff, and more importantly the students, we would like to offer you a warm welcome to our school. The Telford Park School opened its doors for students for the very first time in September 2015 signalling the start of a new era.

It is a pleasure to lead this school during this exciting time of change and development. When you visit Telford Park School you will experience a purposeful learning environment where high expectations are consistently insisted upon to ensure each child makes the best possible progress. 'Ensuring Excellence' is the theme in all aspects of school life. Coupled with excellent standards of academic achievement, a strong emphasis on outstanding behaviour is the norm. All students are very smartly dressed and wear their uniforms with pride.

Alongside academic achievement students are encouraged to 'let their light shine' in all aspects of school life, particularly as we operate an extensive extra-curricular programme which fully utilises our state of the art facilities.

Effective relationships exist across the school and this has been recognised by OFSTED. Positive interactions at every level encourages students to achieve well in all aspects of school life. We aim to provide a culture where pupils feel equally challenged and supported.

I look forward to welcoming you to The Telford Park School at this very exciting stage of the schools improvement journey.

Mrs Holly Rigby, Head of School
