Welcome to The Bishop Fraser Trust from the Chief Executive, Tania Lewyckyj

The Bishop Fraser Trust is a new MAT set up on the 1st December 2017 with St James's CE High School (11-16) and Canon Slade School (11-18). Bolton St Catherine's Academy joined the trust on 1st May 2018. We also have plans to open a free school in the future.

All our schools are situated in Bolton and all remain part of Bolton's collaborative network where 17 high schools work together through the Bolton Learning Alliance. We are an outward facing trust and constantly look to learn and collaborate with others. We are also part of St James's Teaching School Alliance, which offers excellent CPD and school to school support. Our links with Manchester Diocese continue to be strong.

We became a trust to secure the special nature of our individual schools as we do not think that one size fits all. We also wanted to secure our ethos and distinctiveness, enabling us to work together and to become the trust of choice for local families and staff. Staff are very important to us as we rise or fall by the professionalism and dedication of our staff.

Tania Lewyckyj is the CEO of The Bishop Fraser Trust and is also in her ninth year as the Headteacher of St James's CE High School. Tania started her career in teaching 33 years ago and has worked in a number of schools across the North of England, as well as a year teaching English in Japan.

Tania is an NLE and set up the St James's Teaching School in 2012, which has gone from strength to strength and offers excellent training and development opportunities from NQT to Headteacher level for the trust and beyond.

Tania said of her appointment:

"It is an absolute privilege to have the opportunity to make a difference in the lives of our young people. From 2 to 18 years old, we have the potential to enhance life chances in all of our schools and improve our town at the same time. Our focus is on more than exams; it is about the development and wellbeing of the whole child, allowing them to effectively thrive in this fast moving world in which we live. If this is the first time you have heard about us, we hope you are inspired and feel that you could thrive within our positive and aspiring trust".

Great people……

We aim to recruit outstanding people who have the right attitude. If you have a love for teaching and are passionate about seeing children succeed, we would love to hear from you! For our part, we will provide excellent development opportunities, leadership training and the time to develop all of this so that you can be the best you can be.

Recruiting the right teachers and staff helps us to achieve the goals we set for our children. We are always keen to hear from educators who are passionate about working for the schools and communities we serve. We would rather make no appointment than appoint someone who does not share the same positive ethos that runs through our Academies. For this reason, we try to articulate clearly our vision, values and expectations when putting together information for applicants.

We aim to recruit staff who:

- are excited by their role and by the prospect of working with young people, even those who are less well motivated;
- love the processes of learning and teaching and are keen to continually develop their own skills;
- recognise that teaching can be a demanding job but react positively to those demands with resilience;
- wish to make a real difference in the lives of others;
- will subscribe to the ethos of the Trust and 'go the extra mile' in terms of time and commitment to get the very best from our young people;
- are quick to praise and slow to criticise; and are not afraid to admit to seeing themselves as potential leaders of the future.

CPD and training

Continual Professional Development is seen as a priority at all our schools. It is vital that staff have the time to further develop themselves and to stay abreast of changes within education, developing pedagogy and practice through innovative processes which are research based. On a Wednesday afternoon, the pupils leave school slightly earlier and staff have two hours of training and development. This provides an opportunity to work with our trust schools and has allowed us to do cross moderation and joint training. It also allows valuable time for departments, encouraging joint planning and subject development.

The Bishop Fraser Trust, via the St James's Teaching School Alliance, offers a clear professional development route, from NQT to headship, allowing staff to take opportunities within leadership at all levels, should they wish to. We are proud of the work carried out by our 35 Subject Leaders in Education (SLEs) and hope to grow more in the future.

Welcome to Bolton St Catherine's Academy from the Headteacher, Rachael Lucas

Dear applicant,

This is an exciting time to consider joining the highly professional team at Bolton St Catherine's Academy, a centre of learning where achievement, expectation and enjoyment combine.

It is our mission to create an environment where every child and young person is important and where they are guaranteed success.

We are a fully inclusive, purposeful all age Academy that sets high expectations of both our students and our staff. We understand that success stems from positive relationships and people will learn and work far more effectively in an environment where they are happy, feel secure and where they feel they can make a positive contribution.

We have an exciting, engaging and relevant curriculum that responds to the needs of our young people. Our curriculum enables staff to encourage and develop students' learning through stimulating and modern teaching. We are supported in delivering the curriculum by our fabulous new building with state of the art technology and innovative learning spaces.

Our staff firmly believe that they can make a difference by putting our students at the heart of the educational experience. As well as focusing on their students' progress, achievement and enjoyment, staff have the flexibility to develop effective and innovative approaches to learning whilst maintaining a relentless focus upon raising standards and attainment.

Our team needs to have determination, view challenges as opportunities and have well-honed interpersonal skills. We must be at the top of our game and understand that our students' achievements are ours and that they are at the centre of everything that we do.

Joining the newly formed Bishop Fraser Trust alongside the Ofsted "outstanding" Canon Slade School and St James's C of E High School and with St James's Teaching School designation, provides opportunities to work collaboratively within the wider MAT community, sharing good practice and building on the much needed improvement work and progress that has been taking place this year.

With our own Ofsted "good" primary and sixth form provision and the great work we are undertaking in the secondary phase of the Academy, we are confident that Bolton St Catherine's Academy will continue to progress on its mission to provide a high quality education for young people in north Bolton.

We are seeing rapid yet well considered changes in the way we help our learners to better understand concepts such as "behaviour for learning" as well as the consequences that come with both good and challenging behaviour. We are determined to develop the mind set and culture within the Academy so that every member of our community, student and staff, wishes to and strives hard to make progress, taking immense pride in their effort and work.

With the fantastic facilities we have in our £36m new build, a progressive attitude to CPD and advancement through the MAT's own teaching school and a strong and supportive senior leadership team, the new Bolton St Catherine's Academy is a great place for you to make a real difference in the lives of the young people of Bolton. We look forward to receiving your application.

THE TRUST & VISION

We are a new Multi Academy trust which currently runs with a family of three schools, potential four with the application for a free school.

- St James's CE High School (11-16) Judged outstanding by Ofsted

- Bolton St Catherine's Academy (2-19) judged RI by Ofsted but primary and sixth form are seen as good.

Our schools are supported by St James's Teaching School Alliance and the Bolton Learning Alliance.

Bolton St Catherine's Academy is based in a new state of the art building, whilst St James's and Canon Slade's buildings are more traditional in appearance but in good condition. However, it is what we do in the building that matters!

Our vision is based on our strongly held Christian values;

To allow all children to experience 'life in all its fullness', no matter what their starting point.

John 10:10

We aim to offer

ABOUT OTHER SCHOOLS IN THE BISHOP FRASER TRUST

Canon Slade School

Canon Slade School has a long and distinguished history, originally founded in 1855 by the then Vicar of Bolton, Canon James Slade. Over those one and a half centuries, the school has served families throughout Bolton and much farther afield in providing an outstanding education set firmly within a strong Christian ethos.

Though the school has changed much since its inception, our motto ***"Ora et labora"*** (Pray and Work) is still the guiding principle. It is this commitment to work and the Christian life that ensures the success of the school and its ability to flourish in a constantly changing and challenging world.

A visit to the magnificent school chapel bears witness to the centrality of Christian faith. Every member of the school community is involved in an act of Christian worship each day and everyone is expected to do their best in every aspect of their work. High standards of behaviour are demanded and mutual respect is part of the embedded culture.

Christian values of compassion and love for one another allow each individual to grow in a safe, caring community which has high expectations for all.

The Ofsted inspection of December 2012 rated the school to be outstanding in each of the four categories judged under the Inspection Framework. The National Society Statutory Inspection of Anglican School Report was also judged to be outstanding.

Canon Slade School is a friendly, vibrant and exciting place in which every member of the school community is recognised and valued for the individual they are, made in the image of God, and where each is given every opportunity to fulfil their potential

St James's C of E Church of England High School

St James's is a Voluntary Aided Church of England Secondary School, judged 'Outstanding' by Ofsted. The school is currently judged to be in the top 3% of schools nationally for teaching and learning.

The school motto of 'Caring for Others † Achieving Excellence' is central to everything we do. When young people join the school, they become part of the school family and through this develop their potential through academic success, personal and social development and self -discipline, based on the beliefs and values of Christian faith.

Academic standards are very high and well above the national average. The school curriculum offers a personalised approach, meeting the needs and abilities of each young person, whether they are gifted and talented or have special educational needs.

It is very important that students feel confident and secure at school and display the Christian values of respect for self and others. The whole school, including its Pastoral Care provision, was rated 'Outstanding' by Ofsted and the school takes pride in the close links it has with parents and carers. Work within the community, locally and

internationally, allows students to see how they can take an active role in society and make a difference in the world.

Pupils and parents are expected to be fully supportive of the Christian principles which form the foundation of the education and care provided. The school intake reflects the commitment of parents to our Christian foundation and also recognises other faiths and service to others.

St John's Church of England High School.

The Multi Academy Trust, via St James's C of E High School, are proposing to open an outstanding 11-16 Church of England Free School, taking six forms of entry. It is proposed that the school will be called St John's Church of England High School.

The new school will be situated around the central to West part of the town centre where there is an urgent need for secondary school places.

Why do we want to do this?

The creation of the proposed school is to address the following issues.

1. To address the basic need for secondary places in Bolton as identified by the increasing number of students in Bolton primary schools.
2. As Bolton is ranked sixth out of seven authorities for educational outcomes* within Greater Manchester. The new school will strive to give all students, whatever their background, an outstanding education and the best outcomes possible.
3. There is a need to expand parental choice in educational provision in Bolton. A large proportion of parents are currently not able to gain a place for their child at a faith school, even if they are practising Christians or from families of other faiths. The new school will allow parents to gain a place for their child at a high quality Church of England high school.

What is the vision for the new school?

The vision is for another outstanding 11-16 school with a faith designation that is inclusive and distinctive.

It will be a high performing school that meets local needs and provides a holistic education that develops the whole child. It will:

- Maintain and promote a Christian Ethos in which everyone is equally valued as a member of the school family.
- Provide a safe and happy environment in which all pupils have the opportunity to develop personally, physically, socially, academically and spiritually.
- Maintain and promote a caring community in which each person is encouraged to demonstrate concern and respect for everyone and to develop self-respect and discipline.

Who can come to the new school?

The school will serve both the locality and the town centre, which currently lacks a Church of England Secondary School. The free school will open with an admission policy of 50% CE faith criteria, 25% other faiths and 25% of no faith.

What will students learn?

The school will provide a relevant curriculum with a wide range of learning experiences to meet the differing needs of individual pupils, whilst offering equality of opportunity and high standards of teaching. The curriculum will follow an academic model as St James's does now.

The new school will have high expectations for all students and be aspirational at all levels.

The proposed free school complements the strategic direction of the Manchester Diocese's Education Plan and that of the National Society.

Conclusion

John 10:10 states that our youth should experience ***'life in all its fullness'***, no matter what their starting point.

This is what the new school aims to create within a caring, nurturing and inspiring school setting.
