## Letter from the Executive Headteacher

---

November 2018

Dear Applicant

I am delighted to enclose an application pack and details for our Teacher of Science post at Holderness Academy part of The Consortium Academy Trust family.

On joining the Trust the successful candidate will work with our committed and dedicated team within the Faculty structure. As part of the team, they will be expected to meet the basic teacher standards at all times to provide an exciting and inspiring learning experience for our young people. In addition, they should be keen to engage in the wider life of our community school.

The Academy has high expectations of all its staff. However, we are proud of our strategies to nurture and support staff and of the systems we have in place which recognise staff contributions that impact positively on the lives of young people and foster a culture of well-being and pride.

This is an exciting time to be joining the staff team here at Holderness Academy, as we are making significant changes to the daily management and leadership to ensure that we move the Academy to a position of sustainable success, for our learners and staff, both now and in the future. In addition, the successful candidate will become part of a much wider team of staff across the Trust, with opportunities for collaboration, sharing good practice and skill development provided.

We very much look forward to reading your application and would welcome a request for a visit to our Academy.

Kindest regards

Mrs S L Young  
Executive Headteacher

## Our Academy

---

Holderness Academy and Sixth Form College is a large comprehensive school with 1287 students on roll, including 169 in the Sixth Form. The Academy is situated in East Riding of Yorkshire and located in the small village of Preston – a village which dates back before the Domesday Book. It sits six miles to the East of Hull and one mile from the town of Hedon.

The Academy attracts students from all its surrounding East Yorkshire towns and villages, and staff from even further afield. We are incredibly proud to have a positive and engaged student body and a dedicated and talented team of staff and governors.

Holderness Academy and Sixth Form College is a disciplined and well-organised environment. We have high standards of Academy dress and have clear expectations on punctuality, attendance and behaviour, having recently implemented a Student Positive Discipline Policy. Our students have responded well to the new policy and this is reflected in all aspects of school life with noticeable improvements to student behaviour and attitude throughout the Academy.

We have a strong student and staff voice approach which has impacted significantly on the recent developments in our Academy environment and in approaches to Teaching and Learning and fostering well-being and mental resilience across all teams within our school.

The recent set of student outcomes in 2018 demonstrate that our changes are seeing an impact and improving outcomes for learners, our Progress 8 measure (demonstrating the academic value we have added to student in their time with us from Year 7 to Year 11) improved as did our Basics Headline measures.

Our supportive approach to developing the whole young person is delivered through our Pastoral Support System which responds to the wider support needs that children living in the modern world may develop. Their tutor is the first point of call but a dedicated Pastoral Manager per year group and a focus Progress Leader are key to our students commenting 'they feel safe in school'. It is the responsibility of all members of staff to keep students safe and this is an essential part of the Academy core business.

The Sixth Form College is focussed on providing high quality teaching and care to secure the best achievement and outcomes for all. Within the Sixth Form there is a dedicated suite of teaching rooms and facilities, which provide a bespoke Sixth Form College feel. Sixth Form students play a full roll in the life of the Academy, but equally enjoy the advantages of this dedicated provision.

Despite recent challenges related to the OFSTED Inspection of June 2017, the Academy retains a strong community ethos, we very much consider ourselves to be a community comprehensive.

As a school we firmly believe opportunities and experiences play a huge role in enabling young people to develop their skills and attributes beyond the classroom. The Academy prides itself on the wide range of extra-curricular opportunities offered to its students. Annually, students take part in a variety of teams, clubs and events. Staff give a great amount of time to supporting students to develop wider cultural experiences through trips and visits and in relation to their academic progress.

## **Multi Academy Trust**

On 1 October 2018, Holderness Academy and Sixth Form College (formerly South Holderness Technology College) joined a multi academy trust, 'The Consortium Academy Trust' (TCAT). TCAT comprises of five secondary schools and two primary schools with a total of 6221 learners and a significant staff team.

The Trust was developed to provide a platform to deliver high quality educational experiences for the children and young people within the communities it serves, to enhance and improve their life chances and enable them to make substantial and sustained contributions to society. We will achieve this by building a strong, regional offer that supports the educational aspirations of current and future generations while providing excellent career opportunities for staff.

## **Our Vision**

---

**As part of The Consortium Academy Trust, Holderness Academy & Sixth Form College will engage all young people in the best education and learning experience.**

### **Our vision is to be a Trust:**

- that promotes academic excellence, where exciting opportunities allow students to excel in all that they do, and leave prepared to achieve all their ambitions
- whose schools deliver the maximum potential for progress through inspirational teaching and learning, and outstanding school to school support
- with a leading community role, whose schools are the preferred choice for learners, parents, staff and other professionals

### **As an Academy we aim to:**

- provide a high quality education so each learner achieves the success of which he or she is capable
- provide a safe, caring, disciplined and stimulating environment in which each individual is challenged and enriched by learning within a culture of mutual respect
- actively contribute to all aspects of each learner's life and develop the social and emotional aspects of learning
- prepare each learner for a fulfilling, happy and successful life as an active citizen in a global and sustainable society
- engage in positive partnership with all parents to support and celebrate each learner's learning and development
- work with other schools, colleges, employers, support services and the wider community to ensure that provision is as good as it can be for all
- support the professional development of staff to fulfil the needs of the individual and the college
