Letter to potential applicants – March 2018

Dear Colleague,

Thank you for your interest in the position of Teacher of Girls' PE at King Edward VI School. We are looking for a passionate and enthusiastic specialist to join us. The information provided seeks to outline the context of this position, where we are currently as a school, and the kind of person we are looking to appoint. I hope this will enable you to determine whether this is the right position for you at this stage of your professional development, and whether you are the colleague for us. If you decide this is the case, I will be delighted to receive an application from you.

I joined the school as Headteacher at Easter last year, and could not have been more delighted to do so. King Edward VI School has been inspiring young people in Bury St Edmunds since 1550, and we are held in the highest repute for our academic traditions, our incredibly broad and successful programme of enrichment activities, and our strong ethos as a fully comprehensive and inclusive Church of England School. I spent much of my first term here listening to the views of students, staff, parents and governors, as they told me what makes the school great and what they think our next stages of development should be. There is, above all else, a palpable desire to develop teaching and learning further, to collaborate with each other in developing our practice, and to utilise the partnerships we have with agencies locally, nationally and overseas to enhance the quality of learning still further.

We seek a Teacher of Girls' PE who can join our highly supportive and creative team, and build on the strong results we enjoy at GCSE and A Level. You will be a committed and creative teacher – someone who will help our students achieve their full potential and deepen their love for sport in its widest sense. We offer an excellent programme of training and mentoring for newly qualified teachers, and engaging opportunities to develop the craft of teaching with colleagues from other departments across the school. As one of the first Specialist Sports schools, we are well known for the depth and breadth of our sporting opportunities, both in lessons and in our wider community.

You will join the school at a most exciting stage of its development. We are a founding partner in the Lark Teaching School Alliance, a new TSA in Suffolk. As such, we have just been approved to offer the NPQML and NPQSL courses in-house, for delegates from schools in our locality. This will begin in the Summer, and is externally accredited by Leadership East. We also have access to some excellent CPD through the Teaching School. In addition, we are proceeding with a proposal to form a Multi Academy Trust with a group of 7 Primary schools in and around Bury St Edmunds. We expect this MAT to begin within the next 12-18 months. There will be lots of opportunities here for career progression, should you wish.

We have also been working very closely with the Suffolk Academies Trust, to jointly plan for the building of a brand new academic Sixth Form Centre on our site which will open in September 2019. At that stage, our Year 12 students will transfer to the new provision, which is to be called Abbeygate Sixth Form, to complete their A Level studies. Our own Sixth Form will close, but we anticipate that many of our staff will teach here and in Abbeygate Sixth Form as the buildings are on the same site. We think this is a wonderful opportunity for A-Level students in Bury St Edmunds. The closure of our own Sixth Form is the reason this role is initially for one year – we very much hope that we can make the position permanent when we are clear about staffing requirements in the longer term.

Our core values are respect, aspiration and creativity. Elsewhere in the pack, you can read more about these. They are the fundamental principles which govern our life and work here. Our students are exceptional ambassadors for the school, are courteous and kind, and strive to be the best they can be. We want them all to be inspired by what we offer so that they can thrive in the future. We have vertical tutoring in Years 7-11, and there is a strong sense of belonging fostered by our six Colleges. In common with the rest of Suffolk, Bury St Edmunds has recently undergone a transformation from a three-tier structure incorporating First, Middle and Upper schools to two-tier education, and this arrangement is in place for virtually all schools in the town. We are proud of our transition arrangements, newly fledged following the arrival of our first Year 7 and 8 students in September 2016. This is aided by the Bury Schools Partnership, a strongly collaborative network of schools in the town and surrounding area.

To summarise, we are looking for someone who is not afraid to innovate; to shape the role and the agenda for learning in the way that they see fit. We will provide excellent opportunities for professional development, a caring school ethos, children who have a genuine desire to excel, and parents who are fully supportive of our work.

If you still feel that this post is for you, then I look forward to receiving your application. If you wish to visit the school prior to making an application, or have any questions about the post or the department, please get in touch with Gary Clarke, Subject Leader for Physical Education ([CK@king-ed.suffolk.sch.uk](mailto:CK@king-ed.suffolk.sch.uk)) who will be delighted to hear from you.

Yours sincerely,

Lee Walker  
Headteacher
