Dear Applicant

Teacher of Technology

Penwortham Priory Academy is seeking to appoint an ambitious and enthusiastic Teacher of Technology, with a relentless determination to help drive up standards in KS3 and 4. This determined individual will join our Technology team at an exciting, yet challenging time on our 'Journey to Great'.

We are seeking an inspirational teacher who, first and foremost, will have the highest expectations to secure the best for all, from all. Who will ensure the learning in their classroom is suitably challenging to promote 5 year GCSE preparation and who will be the best teacher, ensuring the Technology team best supports the:

- Academic progress of our pupils – by ensuring the best outcomes for our pupils.
- Learning progress of our pupils – by ensuring the best teaching, teaching support and therefore learning in lessons takes place, delivered by the best teachers and teaching assistants.
- Pastoral progress of our pupils – by ensuring the best pastoral care for our pupils.

At Priory, we require a system in which **all** children and young people achieve. We believe we can have a great school that delivers quality and equality for **all** our students. This involves imagination, courage and collective action, with capacity building at its heart – leadership capacity, pedagogical capacity and the capacity for creativity and action.

Our journey to great, and our ability to stay there, relies upon the values and behaviours of us, the staff, but in particular, **us as teachers**, to propel continuing improvement. Our focus now is to 'unleashing greatness' within Priory itself – working collaboratively to improve the quality both of staff entering the profession and existing staff, cultivating peer learning within school and between schools, encouraging innovation to discover future leading practices and ultimately ownership and accountability by ourselves of outcomes and the quality of education at Priory.

Staff at Priory **must** therefore be willing to work to our value set. We are **committed**, we are **positive**, we **evolve**. The 3 pillars of Priory.

We are seeking a passionate and inspirational professional, who would relish working in an exciting and rewarding environment and are prepared to contribute fully to Priory's wider school life and strategic priorities.

The post holder will be entrusted with the challenge to accelerate progress in all 3 areas and improve Progress 8 outcomes of all pupils.

For an informal discussion about the role, or for a tour of the school, please contact Miss Creer, Head of Technology - e-mail: s.creer@priory.lancs.sch.uk.

An application form and job / person description are available from the TES and school websites.
