This document is a prospectus designed specifically for you as a candidate, the aim being to summarise the relevant information you require to reach your decision on whether to apply for a position at our School. We hope you find this useful. Please access the School website www.wcgs.org.uk for further information.

Welcome from the Head of School

I am delighted to welcome you to the recruitment area for Wallington County Grammar School, one of the greatest schools in the country. What makes us great is that, at our core, we care very deeply about our students, both past and present. We are renowned for the quality of our pastoral work, warmly supporting our students to become happy, confident individuals equipped with the qualifications, skills and attributes to succeed in a globalised world.

Being a boys selective school founded in 1927 that welcomes girls into the Sixth Form, we blend the best of tradition with innovation to engage and inspire our students to be the very best they can be. Because of this our students make progress within the top 2% of all secondary schools in the country at GCSE and go on to gain places at the world's top universities. This success is born from our core values of **Self-discipline**, **Endeavour** and **Excellence**: being self-disciplined enough to always show deep compassion and respect for all members of our community; endeavouring to always approach our work with passion and enthusiasm, never being afraid of failure or mistakes but embracing them to learn from and better ourselves; reaching excellence, not just in the classroom, but as well-rounded individuals who succeed in many aspects of life, be they sporting, artistic, intellectual or social.

We tailor our curriculum to ensure students are nurtured as well rounded individuals, excelling in core subjects like Mathematics, English and the Sciences but who are also deeply knowledgeable about the Arts and Humanities. Our co-curriculum further enhances our students' character, forging outstanding sportsmen through our superb coaching programme, and creating individuals who are passionate about representing their club or society, house, year group and school. Above all, we celebrate our incredible students through a culture of praise and recognition to make sure they leave us with the conviction that they can achieve anything they put their minds to.

Mr J Bean
Head of School

Our Students

Our students will surprise you: they are waiting to be challenged and raising the bar only encourages them further to excel.

We are an incredibly diverse school, accepting boys from a huge variety of different boroughs and backgrounds and then welcoming a large number of girls into the school in Sixth Form. Because of this we are truly inclusive, putting tolerance and social mobility at the heart of what we do.

Students are selected by an entrance exam held each September for entry the following year. 150 students are admitted to Y7 and we are increasingly oversubscribed with a large waiting list, however, we are not complacent, and aim to increase the number of primary pupils who name us as their first choice within our selective borough. Our mixed Sixth Form entry is by academic achievement and the vast majority go on to university, including several to Cambridge and Oxford each year.

On entry, all students (and staff) are assigned to one of six Houses, a vertical system which brings everyone together and which is rooted firmly in the traditions of the School. This fosters healthy competition outside the classroom and is cherished by both staff and students who are passionate about getting involved in competitions which include: sport, drama, debating, music, mathematics, literature and commendations.

Our pastoral system is organised horizontally in year groups with a Year Leader ensuring the excellent behavior and welfare of all students under their care. Student Voice increasingly contributes to the development of School policies and the direction of the School. Visitors comment on the fantastic atmosphere they find in our School, showing excellent relationships among the students and between them and the adults.

Our goal is to attract teachers who can inspire and excite the minds of our students and promote excellence both inside and outside of the classroom.

Background and Ethos of our School

Having successfully achieved academy status in June 2011, this is an exciting time of positive opportunity at WCGS. Founded in 1927, our aim is to combine the best of what tradition can offer with a cutting edge approach to achieve successful delivery in the classroom. Set in nine acres of parkland in the London Borough of Sutton, our buildings comprise a mixture of characterful red brick buildings with modern, state of the art facilities, the latter including the recently completed Sports Hall and Food Technology facilities.

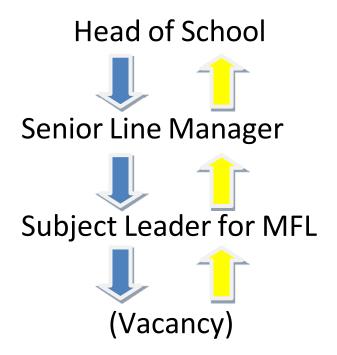

We have a thriving co-curriculum which helps create a globally competitive alumni who go on to take leading roles in society. Student run societies, quality form time provision, regular and adventurous school trips and frequent 'Challenge Days' all go towards creating well rounded, ambitious and highly skilled individuals.

The loyalty WCGS inspires in its students is demonstrated by the thriving Old Walcountians' Association, which has its clubhouse at Clockhouse in nearby Woodmansterne. This body supports and contributes to the School in many ways.

The 'Culture & Ethos' of WCGS permeates all aspects of the School, promotes positivity and is the main technique used to motivate learners. Our core values of Self-Discipline, Endeavour and Excellence are the corner-stone of our day-to-day procedures and routines, creating a well-mannered and orderly environment in which everyone will learn. Staff and students never give up in search of excellence.

Staffing Structure

The following staffing structure diagram shows the intended line management structure for Economics and Business Studies.

Induction

The school has a caring yet thorough approach to inducting new staff into the school. Line mangers oversee this process and sessions are run weekly for all new staff to attend to up skill you in various School specific systems and approaches.

CPD

We have a charter marked CPD programme which is both responsive to the needs of our staff yet supports our whole school priorities. It focuses on developing co-planning, lesson study and evaluation to allow staff the time and resources they need to develop as trusted practioners. We are keen for staff to work with colleagues in our wider networks which include the Sutton Alliance, the Boys Academic State Schools group, the Grammar School Heads Association and PiXL and actively facilitate this process.

We have a proactive approach to developing staff in-house, seconding teachers onto the Academic and Pastoral Boards each year, as well as onto the Senior Leadership Team. This has led to the creation of a highly motivated and ambitious body of staff who often secure promotions within the school or outside of it.

Facilities

In addition to the dedicated Staff Room, the aim is for all staff to have their own quiet, personal work space (not classroom based) equipped with desk, PC and other facilities appropriate to their subject. Classrooms are currently being refitted with state of the art display monitors and we are keen to accept bids to from Subject Areas to develop classrooms for personal needs.

Pay

We pay staff on the Outer London Pay Spine and have a performance related pay policy which aims to reward commitment to, and excellence in, our practice. We also have a Lead Practioner Scale for teachers to apply for when positions become available should they wish to make a career out of demonstrating and developing excellence in the classroom.

Results and Statistics

A full break down of our raw results can be found in the tables below.

0.005	2016 Percentages				2015 Percentages				2014 Percentages			
GCSE	Entries	A*	A*/A	A*-B	Entries	A*	A*/A	A*-B	Entries	A*	A*/A	A*-B
Overall	1547	39	72	90	1576	40	76	93	1510	37	76	93

Overall	529	19	56	84	523	24	63	88	459	15	49	79

We are, however, very conscious of our selective intake and the impact that this has on our raw attainment data. For this reason, we prefer to measure our performance on **progress** so that we can directly compare the impact we are having on our students' learning with all other schools nationally. When using progress as a measure, the following statistics demonstrate just how successful we are as a school:

GCSE 2016
We were in the top 2% of all schools nationally for the amount of progress our students
made
Top 1% for mathematics
Top 2% in the sciences
Top 5% for English
Top 13% in the humanities
A Level 2016
We were in the top 25% of all schools nationally
Top 20% for mathematics
Top 40% for English literature

We also pride ourselves on how well our students on the Pupil Premium and with special educational needs perform. We were awarded a government sponsored Pupil Premium Award in 2014 in recognition of our work in this area.

Our Curriculum

Y6 students are invited to the School for four Induction Days, easing their transition to secondary school to create the platform for their rapid progress that enables our boys to complete KS3 within two years. In Years 7 and 8, practical subjects are delivered to groups of no more than twenty, giving them the opportunity to discover and develop their wider interests as well as the core subjects.

The consequent enhanced three year GCSE programme enables students to study in far greater depth with students in Years 9 to 11 usually following a programme of eleven GCSE subjects.

The MFL Curriculum

We operate a two year Key Stage 3, during which students study one language (either French or Spanish), with a target of all students meeting or exceeding Level 7. MFL teachers follow a thematic Scheme of Work, developed entirely in-house, and written to stretch all of our students.

At GCSE we teach the Edexcel specification. Our Y9-Y10 students are currently studying a new syllabus following the GCSE reform.

We typically have one AS and one A2 class in the Sixth Form per language, each taught by at least two teachers. We have chosen to follow the Edexcel syllabus for the new A Levels.

All courses have a communicative approach and focus on the 4 language skills (Listening, Speaking, Reading and Writing) as well as grammar structures. Role plays, picture based discussions,

conversations in TL, translations, transcriptions (dictations) activities and the use of authentic resources (including literary texts, songs, poems, films, letters, articles) are an integral part of our language teaching.

Our Co-curriculum

There is a clear expectation that both students and staff participate in the wider life of the School, with many Subject Areas offering academic support in their subjects at various times, in particular during the run up to public examinations. Several non-specialist staff contribute to the success of school sport. Without their generous support many minority sports would not be offered. The School maintains a healthy fixture list across the south east for rugby, cricket, football, cross-country and athletics. Non-specialist staff involved in practices and teams with Saturday fixtures receive an allowance.

Dramatic, musical and cultural interests are all taken very seriously by the School. Debating and public speaking have a strong foundation, taking our students to regional and national competitions and the Music Department has toured abroad and performed at the O₂ Arena and The Royal Albert Hall. We run numerous trips including an annual ski trip; cricket tours to Barbados; rugby tours in Canada; diving trips to the Red Sea; and have a vibrant, student-led, programme of clubs and societies.

School Finances

The School operates within its budget, and the freedom to best apply resources has been increased following our conversion to Academy status on 1st June 2011.

Building a Family of Schools

The School is looking to build a family of schools over time which will enhance opportunities for all staff and students within what will be known as the WCGS Academy Trust. During 2014/15, the School applied to the Department for Education to become both an Academy Sponsor which will see us support other schools in the local area and to open a new 11–18 comprehensive Free School. Opportunities to support others should be taken at every opportunity and so WCGS aspires to change the lives of young people and unleash aspirations by providing choice to local families about where their son or their daughter can go to school. During 2015, we learnt that our applications have been successful. With regards staffing, the opportunities of working within a Federation of schools will be very rewarding:

>	Increased career opportunities through our internal promotional pathways. Benefit packages for staff which could include private medical insurance. Financial support when purchasing travel cards and bicycles in our "ride to work" scheme. Increased opportunities for Joint Practice Development (JPD) in a range of educational contexts.
