

March 2018

Dear Candidate

**Re – Vacancy – Assistant Faculty Leader, TLR allowance to be discussed at interview**

Thank you for considering applying for the above post at Mayfield School.

- ✓ **Are you looking for a supportive, hardworking and friendly Science faculty with which to continue your professional development?**
- ✓ **Do you want to work in a team that collaborates effectively and works for their students to improve their life chances?**
- ✓ **Are you a teacher who wants to make a difference and get the BEST out of your students?**

If the answer to these questions is **yes**, then Mayfield School is the right place for you.

Due to our expansion, we are looking for a dynamic and inspirational Assistant FL Science to join our successful Science faculty.

The faculty is fully staffed with 17 specialist science teachers who all play an integral part in the development and improvement of the science experiences across the school. Teachers across the faculty teach students in ability sets from Year 7 to Year 11, and there growing cohort of students in the Sixth form studying A 'level Sciences, Biology, Chemistry, Physics , BTEC level 3 and practical sciences is prominent in the science classrooms.

Science has dedicated technicians that work with the Science Faculty in support of the teaching staff.

All new teachers are given their own classroom close to Science leaders for support and are given a full induction so they are ready to hit the ground running.

We are able to offer a TLR post for a suitable candidate; someone who has a proven track record of raising attainment with students and working with colleagues to get the best from them, for their students. Responsibilities that may be available include leading a specific key stage and/or science subject area. If you think you are ready for the next step in your development, make this clear in your application, outlining your previous experience and how you would move things forward at Mayfield.

This a very exciting time for the school, which has had considerable investment in new facilities over the last few years, which is continuing with a new DT block being built and a community leisure centre on site which will be available for staff members at a subsidised rate. The school has been growing from 8 forms of entry to 12 forms of entry. It will be at full capacity from September 2019.

A Humanities and Arts Specialist School

All teaching staff participate in a comprehensive CPD programme that builds on our aim for all students to 'be the best they can be'. This includes mentoring and coaching, participating in Teacher Learning Communities with other colleagues across the school, faculty specific INSET and collaborative development of resources and teaching approaches.

More information about the school, can be found on our newly developed website, [www.mayfieldschool.net](http://www.mayfieldschool.net)

To apply please complete the teaching application form, which can be found on the TES website or on the school website under the 'joining us' tab. Completed application forms should be emailed to Tina Vorley, Head of HR – [vorleyt@mayfieldschool.net](mailto:vorleyt@mayfieldschool.net) before the closing date – Monday 26<sup>th</sup> March 2018 – 12:00 noon.

Pre-application visits are positively encouraged; should you wish to arrange a visit or require any additional information, please contact Tina at the school on the above email address or on her direct line 0208 215 7760.

Yours faithfully

Andy Rehling
