Teacher of Business Studies

Tudor Grange is a highly successful forward thinking academy which was graded 'Outstanding' in the most recent Ofsted (June 2014).

We would like to appoint an enthusiastic teacher of Business Studies for September 2017. Applications from both experienced teachers and NQTs are welcome. The specific responsibilities will be determined according to the strengths of the successful candidate.

Business Studies at Tudor Grange

The Business Studies department currently consists of two full time teachers and one part time teacher. Business Studies is a popular option at Key Stage 4 and students follow AQA GCSE Business Studies. A-level Business Studies is also popular at post 16.

The department has adopted a realistic problem solving approach in which ICT plays an integral part. Students are given the opportunity to investigate issues and are encouraged to use the full range of facilities to analyse/present their work effectively. A wide range of teaching and learning styles are adopted to provide a stimulating environment for the students to work in.

Business Studies is located in two well-equipped specialist rooms which benefit from access to ICT.
