

Cardinal Wiseman Catholic School

Part of The Romero Catholic Academy

Welcome from the Head

Thank you for your interest in this post. We have included information about the school to help you make an informed decision.

Cardinal Wiseman is an exciting place to work. From September 2017 the school has been under a new Leadership team which has great ambition for the school. Quite simply, we want Cardinal Wiseman Catholic School to be recognised nationally as a centre of excellence in teaching, developing Catholic Ethos and school leaders of the future. Cardinal Wiseman is a larger than average secondary school with a fully comprehensive intake and a rapidly growing sixth form. As such it affords the right candidate numerous opportunities to develop both their teaching practice and further their career.

The Catholic ethos of the school is a central driving force in the way the school Operates and we are lucky to be able to draw considerable support from both the Archdiocese of Birmingham and our wider family of schools in the Romero Multi Academy Company. We are clear with all staff that we have an unwavering expectation of all staff to set the highest of standards in dress code, behaviour and outcomes for all our pupils. The systems we have to support you in this are robust and we have a very experience student Behaviour and Welfare team who operate highly effectively across the school.

Our challenge is to support young people in achieving maximum progress in all of their subjects. We firmly believe that education is not just about examination passes. We are committed to developing the whole person through our House system, charity work and school events. The Arts are an important part of school life and we also benefit from excellent sports facilities. We are proud of our international links and there are opportunities to participate in trips to Europe and Malawi.

We are looking for someone with exceptional qualities to be part of our dynamic and innovative school community and who has high aspirations and expectations for each and every one of our pupils. We have an open door policy and actively encourage visitors to come and look around our school. If you would like the opportunity to come and visit us and to discuss the post further please do not hesitate to contact me on the number above. Should it not be possible for you to visit but you would like further information please feel free to contact me.

I look forward to receiving your application.
