

Teacher of Psychology and Humanities

We are seeking to appoint a teacher of Psychology (KS5) and Humanities (KS3-4 dependent on experience) to motivate and develop life-long learners. You will join a campus with increasing numbers in lower school and an expanding post 16 provision where psychology is a very popular and successful subject.

The successful candidate must:

- Have a good track record in raising attainment and accelerating progress
- Be a passionate advocate of the subject(s) who contributes effectively to departmental and whole school improvement
- Be able to teach across the age and ability range (with Psychology at A level)
- Be able and willing to make a full contribution to the life of the school
- Have high expectations of themselves and others
- Be a good communicator with excellent interpersonal skills
- Be flexible and a good team player

We Offer:

- A supportive environment with excellent Professional Learning opportunities through the Trust
- A highly committed and driven staff
- Students who are very keen to learn, many of whom more than expected progress
- A multicultural, diverse environment with high expectations for our students

Our campus is a vibrant and innovative educational community supported by the forward thinking Academies Aspirations Trust

All applications must be made using the TES online application form and emailed to Gemma Weber on gweber@banbury-aspirations.org CVs will not be accepted. Further information about the academy is available from the campus websites at

www.banbury-aspirations.org/

www.spacestudiobanbury.org/

Banbury Aspirations Campus is committed to safeguarding and promoting the welfare of children and applicants must be willing to undergo child protection screening appropriate to the post, including checks with past employers.

Teacher of Art and Photography

We are seeking to appoint a teacher of Art (KS3-5) and Photography (KS5) to motivate and develop life-long learners. You will join a campus with increasing numbers in lower school and an expanding post 16 provision, who are requesting that we add Photography to our portfolio of subjects.

The successful candidate must:

- Have a good track record in raising attainment and accelerating progress
- Be a passionate advocate of the subject(s) who contributes effectively to departmental and whole school improvement
- Be able to teach across the age and ability range
- Be able and willing to make a full contribution to the life of the school
- Have high expectations of themselves and others
- Be a good communicator with excellent interpersonal skills
- Be flexible and a good team player

We Offer:

- A supportive environment with excellent Professional Learning opportunities through the Trust
- A highly committed and driven staff
- Students who are very keen to learn, many of whom more than expected progress
- A multicultural, diverse environment with high expectations for our students

Teacher of Physics and Astronomy

We are seeking to appoint a teacher of Physics (KS4-5) and Astronomy (KS4) to motivate and develop life-long learners. You will work on a campus with increasing numbers in lower school and an expanding post 16 provision. The majority of your time will be spent at Space Studio School, a specialist STEM provider with very effective industry links and a bespoke curriculum.

The successful candidate must:

- Have a good track record in raising attainment and accelerating progress
- Be a passionate advocate of the subject(s) who contributes effectively to departmental and whole school improvement
- Be able to teach across the age and ability range
- Be able and willing to make a full contribution to the life of the school
- Have high expectations of themselves and others
- Be a good communicator with excellent interpersonal skills
- Be flexible and a good team player

Teacher of Computer Science and ICT

We are seeking to appoint a teacher of Computer Science (KS4 and possibly KS5 for a candidate with the right experience) and ICT (KS3) to motivate and develop life-long learners. You will work on a campus with increasing numbers in lower school and an expanding post 16 provision. The Trust is working with us to develop our technologies and we will become a Google school in the very near future.

The successful candidate must:

- Have a good track record in raising attainment and accelerating progress
- Be a passionate advocate of the subject(s) who contributes effectively to departmental and whole school improvement
- Be able to teach across the age and ability range
- Be able and willing to make a full contribution to the life of the school
- Have high expectations of themselves and others
- Be a good communicator with excellent interpersonal skills
- Be flexible and a good team player

We Offer:

- A supportive environment with excellent Professional Learning opportunities through the Trust
- A highly committed and driven staff
- Students who are very keen to learn, many of whom more than expected progress
- A multicultural, diverse environment with high expectations for our students

Teacher of Humanities

We are seeking to appoint a teacher of Humanities (KS3 and KS4 with KS5 a possibility for the right candidate) to motivate and develop life-long learners. A specialism in Geography would be desirable although we are interested in colleagues who can teach at least two of the subjects at KS3. You will work on a campus with increasing numbers in lower school and an expanding post 16 provision.

The successful candidate must:

- Have a good track record in raising attainment and accelerating progress
- Be a passionate advocate of the subject(s) who contributes effectively to departmental and whole school improvement
- Be able to teach across the age and ability range
- Be able and willing to make a full contribution to the life of the school
- Have high expectations of themselves and others
- Be a good communicator with excellent interpersonal skills
- Be flexible and a good team player

We Offer:
